## LATEST Liner To Be Sunk Berlin Notifies U.S.

WASHINGTON (AP)—The White House announced in a statement today that the head of the German navy had informed the United States that the American steamship Iroquois, carrying Americans back from Europe, would be sunk when it nears the United States east coast.

Before handing the statement to reporters, Stephen Early, a White House secretary, said the matter had been fully discussed at a cabinet meeting today and it was decided all of the facts should be made known.

He asserted that the information was given to the United States naval attaché at the embassy in Berlin by Grand Admiral Raeder of the German navy.

President Roosevelt received it last night.

The statement issued at the White House said that Raeder had advised the attaché "that according to information on which he relied, an American ship, the Iroquois, is to be sunk when it nears our American east coast."

"The sinking of the Iroquois, Admiral Raeder said, would be accomplished, through a repetition of circumstances which marked the loss of the steamship Athenia."

The Athenia was sunk on the day Britain entered the war against Germany.

As a "purely precautionary measure," the White House statement asserted, "a coastguard vessel and several navy ships from the patrol will meet the Iroquois at sea and will accompany her to an American port."

Mr. Early emphasized that these armed ships would not be an escort in the true sense of the word, since the Iroquois would be under command of her captain and would not take orders from the United States government vessels.

The captain of the steamship has been advised of the information received from the German admiralty and has been asked to "make careful search for any possible explosives on board his ship," it was stated.

The whole of this information also has been relayed to the British and French admiralties, the White House disclosed.

The Iroquois sailed from Ireland October 2 with what was described as a full list of American passengers. Formerly in the American coastwise trade, she was chartered by the Maritime Commission to pick up in Ireland United States citizens who had been caught in Europe at the start of the war.

Mr. Early asserted that the cabinet meeting today had been devoted "practically entirely" to a thorough discussion of the information about the Iroquois.

"The White House," he told reporters, "is not putting it out for the purpose of creating any alarms. We don't believe, as a matter of fact, that many people in the United States will believe the report is true or could be true."

"We can't imagine that any British, or French or other ships would do such a thing as the dispatch states."

## Minister Breaks With Duplessis On War Stand

MONTREAL (CP)—Hon. Gilbert Layton announced today his resignation as minister without portfolio in Quebec's Union Nationale government.

"After listening to the speech of Prime Minister Duplessis at Three Rivers last night, there remained no choice for me but to resign as a member of his cabinet," Mr. Layton, who represents Montreal-St. George in the Legislative Assembly, said in a statement.

"His attacks on the federal administration charged with the duty of prosecuting the war that has been declared; his endeavors to make political capital out of this situation; his efforts to inflame the electors of the province to protest against the participation in the present war, were just as amazing as they were disappointing to me."

Mr. Layton said that "at this time, when the province, the Dominion and the whole world are badly in need of constructive leadership, Maurice Duplessis, a man whom the people of the province of Quebec three short years ago raised to the highest position in the province, has in my mind miserably failed his citizens, and forfeited their confidence."

### AS VIEWED BY WORLD

"He has taken a stand, which if supported at the polls can only place Quebec in the eyes of the whole world as a disunited, disloyal unit of the British Commonwealth of Nations."

"It is my belief after three years' close contact with French-speaking citizens from every part of the province, that this platform will be equally unpopular with them as it is with their English-speaking brothers."

"Every democratic nation now recognizes the present war as one of the forces of might and dictatorship against Christianity."

"I am positive that the Prime Minister in his heart realizes that this is so and therefore I am bitterly disappointed to feel that a man in whom I have placed so much confidence and have loyally followed and supported since my election in 1936 could place party politics before what I consider is his duty as a Canadian."

## Gouin Would Curb War Participation

MONTREAL (CP)—Paul Gouin launched his provincial campaign last night with an assertion his Action Libérale Nationale group is against conscription in Quebec and excessive participation in the war.

"I also want to say that if Ottawa, by whatever government, sought to impose conscription in Quebec province, there again we would consider it as a direct threat to our intangible rights and we would repulse, in accordance with the unanimous will of the people, the unsupportable pressure of the pact of 1867," Gouin said.

Mr. Gouin said it would be difficult for Canada to retrace its steps now that war was declared, and make peace separately.

"The only alternative we have is to limit the effects as much as possible by all legitimate means," he said. "Thus when I say that we accept the federal tie for the moment and would shake it off later if it became too dangerous for our prized and incontestable rights, I mean that once in power at Quebec, if Ottawa wishes to surpass, we would bar the way."

Mr. Gouin said the primary object of his electoral campaign is to assure economic restoration of the province and to remove from politics as well as financial and national activities, the direct or indirect hold of the "trusts" and economic dictatorship. He sought to obtain, too, for the province the greatest possible measure of autonomy and to avoid new measures of centralization which might be dangerous.

"The nation once again, thanks to you, looks with unshakable confidence to its military organization and its leadership."

"We revere the memory of the fallen, who, with the 2,000,000 who died in the World War, gave their all that Germany might live."

"Under flags which wave proudly in all communities of Germany today we stand together more closely and adjust the helmet more securely. I know in your faith in Germany you are ready for anything."

### 3 Years for Bergdoll

NEW YORK (AP)—Grover Cleveland Bergdoll, United States Great War draft dodger, was convicted today by a United States army court martial which tried him on charges of desertion and escape from military custody. He was sentenced to three years' imprisonment.

## All Quiet On Canada's Western Front

Victoria's famous First Battalion, Canadian Scottish Regiment, has evacuated the Armories and "dug-in" at Otter Point. "The Ladies from Hell" will likely hold this position, the most advanced on Canada's western front, for some time as the military leaders at Ottawa have not named them as an overseas unit. Otter Point reminds some of the veterans of the last war of encampments on the English Channel. Spicy breezes blow, bringing with them at times heavy rains, mists and salt spray.

### And From Trans-Atlantic War Zone

DECORATES FOR POLISH SLAUGHTER—Fuehrer Hitler (left) congratulates Field-Marshal Goering after having decorated him with the Iron Cross and Grand Cross, upon completion of the German campaign in Poland. Goering commands the vaunted Nazi Air Force which wrought wide-spread destruction in Poland. Photo passed by censor. (Acme radiophoto.)

## France Crushes Defeatists

By JOHN MARTIN

PARIS (AP)—France today pressed a campaign against "defeatist propagandists" at home while her armies in the east sought improved positions to thwart a possible German offensive.

In an official decree, apparently aimed at Communist deputies who have been urging "peace" talks with the Reich, Premier Daladier sent Parliament on holiday.

(Havas News Agency reported arrest of 43 Communist deputies who publicly advocated favorable consideration of German-Soviet proposals to end the war was believed imminent.)

The decree closing the extraordinary session of Parliament terminated the immunity of the deputies, 72 of whom were elected as Communists. The Communist Party recently was abolished by government order, but has reorganized under a new name.

An order was issued for the arrest of two deputies of the party, Florimond Bonte, 49-year-old journalist, and Arthur Ramette, 42-year-old mechanic.

The Official Journal published notices of the suspension of 39 municipal councils in various departments in which Communist elements had held power.

## Latvia Gives Bases To Russian Forces

MOSCOW (AP)—Soviet Russia and Latvia today signed a mutual assistance pact which gave Russia vast concessions, including the right to establish several airfields and naval bases at the Latvian ports of Libau and Windau.

Russia, capitalizing on her position following her new partnership with Germany, thus was seen laying the groundwork for formidable naval, air and military bases in the Baltic states.

Negotiations already are under way with another Baltic neighbor, Lithuania.

The negotiations with Latvia began last Monday with the arrival here of Foreign Minister William Munters from Riga.

Russia also was given a base for shore artillery to "protect Riga Bay."

The treaty includes the granting to Russia the privilege to place a "limited" number of Soviet air, naval and land forces in Latvia.

One of the ports in which the Soviet was given naval rights is Libau, close to Memel, German territory acquired last March from Lithuania.

This emphasized the belief the Soviet's strengthening of herself in the Baltic was aimed at Germany as much as Britain.

### World's Series

## Pearson Star As Yanks Win Second

YANKEE STADIUM, NEW YORK (AP)—Giving one of the finest pitching exhibitions in World Series history, Marcellus Monte Pearson held Cincinnati Reds to two singles today to give the New York Yankees their second straight triumph by a 4 to 0 score.

For seven and one-third innings Pearson was on his way to the first no-hit game ever pitched in baseball's highest spectacle, but Ernie (Schnozzle) Lombardi stabbed a sharp liner directly over second base to break this streak and in the ninth Bill Werber shot another bouncer through shortstop for the Reds' second safety.

Even so, Pearson, who had a no-hitter last year against the Cleveland Indians August 27, tied a series record held by Herb Pennock since 1927 for going seven and one-third consecutive innings without yielding a hit.

### BIG THIRD INNING

The Yankee power broke out in the third inning today for three runs on five hits off Bucky Walters and Babe Dahlgren sent a tremendous drive into the left field stands in the fourth for a home run that completed the scoring.

This early bombardment created such enthusiasm among the crowd of 60,000 that the full effect of Pearson's magnificent hurling was not realized until

along about the sixth frame when

New York's own guns had finally been silenced by Walters after producing at least one hit in every earlier inning.

Pearson's performance was the first series shut-out since Lon Warneke of the Chicago Cubs stopped the Detroit Tigers 3 to 0 in the first game of the 1935 classic.

Although the record books show a one-hit game was pitched by Ed Ruelbach of the Chicago Cubs against the Chicago White Sox in 1906, a check of the official score immediately after today's game indicated there were two hits in that contest and Pearson's great job equalled the best previous pitching performance. He struck out eight and walked only one—Werber at the start of the fourth—and he was quickly wiped out as he attempted to steal second.

Walters never gave a pass, but the nine hits he yielded in the early innings offset this control.

In the thunderous third Dahlgren bounced a ground rule double into the left field boxes 400 feet from home plate. Pearson sent him to third with a sacrifice and he scored easily as Billy Myers muffed Frank Crosetti's grounder momentarily, although Crosetti was thrown out. Then Red Rolfe singled and raced home as Charley Keller lofted a tremendous fly that scooted off Wally Berger's glove for another double. Joe DiMaggio beat an infield hit and Bill Dickey drove Keller home with a sharp single to right field.

For play by innings and box score see page 2.

## Russia Demands Turkey Consult Before Fighting

By PIERRE MAILLAUD  
Havas News Agency Staff Writer

LONDON—Russia is demanding of Turkey that the clauses of the proposed Anglo-French-Turkish mutual assistance pacts which provide for joint aid to Greece and Rumania in the event of attack on those countries should become operative only after the Ankara government has consulted Moscow and, presumably, received Soviet consent, it was reported in diplomatic circles here today.

The necessity for consulting on this point with London and Paris in part explains the unexpected prolongation of Foreign Minister Sukru Saracoglu's stay in Moscow, it was said.

An effort is being made to decide whether a new Ankara-Moscow understanding is worth this concession.

### NEW PROTOCOL

MOSCOW (AP)—Soviet Russia and Germany have signed an additional protocol to their friendship and border treaty, fixing a precise frontier between them in conquered and partitioned Poland.

The protocol was signed yesterday for Russia by Premier-Foreign Commissar Vyacheslav Molotov and for Germany by her ambassador to Moscow, Count Friedrich von der Schulenberg.

(The boundary had been set previously in the treaty signed September 28 at Moscow, but was identified only by a map attached to the pact. The line, most of it along the Bug and San Rivers, divides Poland into two nearly equal parts.)

It was agreed a mixed commission would begin work October 9, placing frontier stones along the boundary of the Nazi and Communist "spheres of interest" in conquered Poland.

There was no new announcement of the demarcation line between the two zones.

It was disclosed a German trade delegation would arrive here next Sunday for negotiations growing from the German-Russian trade and credit pact signed last August 20.

### TURKISH TALKS

Turkish Foreign Minister Sukru Saracoglu, having received instructions from Ankara, was expected to resume negotiations at the Kremlin, possibly today.

(A semi-official Turkish news agency in Ankara said negotiations with Russia had "progressed favorably" and Saracoglu was expected to remain in Moscow several days more.)

## Bremen's Crew Back in Germany

BERLIN (AP)—The newspaper Frankfurter Zeitung reported today that the crew of the German liner Bremen—more than 900 men—returned to Bremen last Friday after docking the ship in a neutral port.

The homecoming seamen were given a cheering reception and the Bremen's captain, Adolf Ahrens, was promoted to commodore by order of Adolf Hitler.

(The latest report on the whereabouts of the 51,731-ton Bremen, \$20,000,000 flagship of the German merchant fleet, was that it carried to Oslo Tuesday by a sailor who said he had seen her in Murmansk, Russian Arctic port, along with the 22,337-ton New York, three smaller German liners and 15 German freighters.)

(The sailor said 800 members of the Bremen's crew and 400 of the New York's had gone to Germany by way of Russia.)

### Japan-Russia Deal Not Friendship Sign

SEATTLE—Yuki Sato, Japanese consul in Seattle, who returned here this week after three months in Tokyo, said he hoped the people of North America would not interpret the settling of "small border incidents" between the Japanese and Russian armies as a sign there was any friendliness between Japan and Russia.

### War—25 Years Ago

OCTOBER 5, 1914 (CP)—Germans on Western Front took up offensive in the Argonne area and along the Meuse River. Russians claimed Germans routed in Russian Poland.

## C.P.R. Reservist Saves Submarine

LONDON (CP)—An official "eye witness" today told how a British submarine lay on the bottom with her periscope blown off by German depth charges, yet eventually escaped to rejoin the fleet.

The submarine's crew was pictured in the account distributed to the press as having been ready to blow up the craft if finally forced to the surface, rather than surrender it to the enemy.

The account said that her navigator was "a naval reserve Canadian Pacific man," but withheld all other details on submarine's personnel and position.

### Odlum Reported For Army Post

OTTAWA (CP)—The Ottawa Citizen says official announcement of the appointment of Major Gen. A. G. L. McNaughton as divisional commander of Canada's first overseas division may be expected shortly.

A former chief of the general staff, McNaughton is now chairman of the National Research Council.

Brig-Gen. Victor W. Odlum of Vancouver is mentioned by the Citizen as likely to be one of the ranking officers under Gen. McNaughton.

### Swiss Police Hold Italians as Spies

BELLINZONA, Switzerland (AP)—Swiss counter-espionage police today detained Enrico Meriani, leader of Italian Fascists living in the Italian-speaking section of Switzerland.

The charge against Meriani, whose occupation was given as show window decorator, was not disclosed.

The head of a local organization of Italian war veterans was arrested on a charge of espionage.

### Dominion to Attack B.C. Gas Price Law

OTTAWA (CP)—The Dominion government will submit arguments to the Supreme Court of Canada against certain aspects of British Columbia's Coal and Petroleum Products Control Board Act, F. P. Varcoe, Justice Department solicitor, said today as the court wound up the third day of a hearing on the act's constitutionality.

### Copper Price Up in U.S.

NEW YORK (AP)—All United States producing and smelting interests today advanced the price of domestic copper 1/2 cent a pound to 12 1/2 cents, following the action of one producer in boosting the metal yesterday.

### Germany Sends Mission to Moscow

BERLIN (AP)—A German government commission of 12, headed by K. Schnurre, foreign office expert, will leave for Moscow Saturday to discuss economic and communications problems raised by the new Canadian-Russian accord.

Schnurre signed the German-Russian trade agreement which was announced here August 20, three days before the two countries signed their non-aggression pact.

### Says Investments Secure in Canada

BOSTON (AP)—Conviction that four billion United States dollars invested in Canada were "safe" with that country at war, and that ordinary trade between "those two good-business neighbors" should not only continue, but increase, was expressed today by H. Napier Moore, editor of MacLean's Magazine, Toronto.

Moore told the 11th Boston Conference on Distribution—a session bringing together nationally-known authorities on trade, business and economics—that his convictions were based on the decision, already made, as to how Canada's war effort is to be financed—a determination to follow "to the fullest degree possible a pay-as-we-go policy."

"We have chosen the hard way, the sound way," Moore said in a prepared address. "We have made up our minds, as a nation, that no matter what the sacrifice may be, so far as it is humanly possible, this generation will not bequeath to the generation to follow a debt that will hamper its economic development."

The Canadian editor expressed belief that increased production would help materially "for our job has been clearly indicated—to provide food and supplies to Britain and France; to provide them quickly, and in abundance and without profiteering."

### Winnipeg Woman Dies at 106 Years

WINNIPEG (CP)—Manitoba lost one of its oldest and most colorful residents in the death of Mrs. Nancy Poitras, 106 years old, at her home in Winnipeg yesterday.

She was born at Fort Augustus on the North Saskatchewan River in 1833 and often recounted tales of early Indian attacks.

The little Frenchwoman, who spoke only the language of her forebears, leaves 109 living descendants, some of them in the fifth generation. Joseph Poitras, 62, who lived with his mother, is the only one of 10 children surviving.

### Sugar Hoarding Charges

MONTREAL (CP)—Judge F. T. Enright committed two men for trial on sugar hoarding charges with the comment "anyone committing these offences or hoarding or profiteering is giving help and comfort to the enemy."

Louis Shaffran faces two charges of withholding from sale and unduly lessening the sale of white sugar over a three-week period. His son, Isidore, is accused of accumulating white sugar beyond the needs of his business and of hoarding more sugar than necessary for his household.

### Duplessis Claims Rights Endangered

THREE RIVERS, Que. (CP)—The Union Nationale government's election campaign on the issue of provincial autonomy swung into action today following an appeal by Premier Maurice Duplessis for support of the electorate of the province without consideration of party lines.

Speaking before a rally in his home constituency of Three Rivers last night, the Quebec premier asserted the election had been called two years before the expiry of the government's term because the province's "rights under Confederation" were "in danger."

He charged Dominion Government authorities with attempting to "starve" Quebec in the interest of "assimilation," and urged all classes of the population to stand behind the Union Nationale government in its defence of provincial rights.

The election was of utmost importance to French-Canadians, Mr. Duplessis asserted. He described the campaign as a "fight for the life of French-Canadians and for their survival."

"This is not a party fight," he said. "It is a fight for popular liberties. It is a fight for the life of French-Canadians and for their survival. We do not need the tutelage of Ottawa. We do not need tyranny."

In his address the premier devoted most of his attention to the question of provincial rights after a brief review of the government's record since its election to office in 1936.

He attacked the Dominion Government for what he charged was a refusal to contribute to Quebec relief costs when an expenditure of \$165,000,000 was planned for war participation.

He asserted his opinions on the "war question" included opposition to conscription.

He spoke bitterly of the censorship of political meetings and charged Justice Minister Lapointe "let the Communist newspapers circulate, but the Prime Minister of Quebec has not the right granted the Communists."

(Shortly before the premier spoke, a ban on publication of the Communist newspaper—Clarke was announced at Ottawa.)

"Mr. King and Mr. Lapointe said Hitler was a bandit and millions were voted to do away with him," the Premier continued.

"But broadcasts of his speeches and his meetings were given in Canada. Those of the Quebec prime minister are not permitted."

### Communist Paper Banned By Ottawa

OTTAWA (CP)—Publication of the French-language Communist newspaper Clarie has been prohibited yesterday by Rt. Hon. Ernest Lapointe, Minister of Justice, in his capacity as acting Secretary of State.

The order was issued yesterday by authority of regulation 15 of the Defence of Canada regulations, which provides the Secretary of State may make provision for preventing or restricting publication in Canada of matters prejudicial to the safety of the state or prosecution of the war.

Ban on publication of Clarie followed an announcement by the censorship committee recommending immediate action to prevent dissemination of subversive propaganda in Quebec by Clarie. Clarie was banned in Quebec province two years ago by the provincial government. Publication offices were moved from Montreal to Toronto, but provincial police seized shipments of the paper sent into Quebec province from the Toronto publishing office.

### Gas Mask Slackers In Britain Warned

LONDON—The government and the press warned civilians today against failure to carry gas masks.

While transportation companies joined air raid precautions officials in checking up on "gas mask slackers," the London Daily Express reminded the public that "bombs or no bombs, this war is on full blast."

"Some folks need a bomb to tell them this war is being fought," the Express commented. "They expected ferocious and continued bombing—now they're puzzled. Don't worry, friends, the war is on, all right!"

### French Seize Reich Ship in Midocean

PARIS (AP)—French sources, commenting today on a communiqué which last night announced capture of a German merchant ship by a French submarine, said the prize was seized more than 1,100 miles at sea. The submarine was one of the largest in the French navy, it was said.

### Foster to Direct Auxiliary Services

OTTAWA (CP)—Efforts of all organizations catering to the welfare and comfort of the soldiers, sailors and airmen serving in Canada's war-time forces will be co-ordinated under the direction of Brigadier Foster of Vancouver.

Appointment of Brigadier Foster as director of auxiliary services will not mean his retirement as president of the Canadian Legion, it was learned today, and he will serve in that position for the balance of his term.

BRIGADIER W. W. FOSTER

He has applied for indefinite leave of absence from his position as chief of police of Vancouver, and asked the police commissioners to place him in the same position as other members of the force enlisting or called up for service.

Hon. Norman Rogers, Minister of Defence, announced the appointment of Brigadier Foster last night.

### VARIED FIELDS

To the distinguished English-born Canadian war veteran has been allotted the task of organizing recreational, educational and religious facilities for the forces. In so doing he is to follow a principle laid down by Mr. Rogers that "the service of former members of the forces who are now unable to enlist for active service should be utilized in every way possible."

Brigadier Foster has been in Ottawa for several weeks, but visited Montreal yesterday.

The new director recently headed a deputation to the defence minister and offered the services of the Canadian Legion and other veterans' organizations in the formation of such services as were provided by various agencies in the war of 1914-18.

The authorization for the new directorate orders it to make adequate provision for all the auxiliary service "essential to the welfare of the troops, either in Canada or overseas, such services to include recreational huts and facilities of an educational and religious nature, as well as sports, canteens and entertainments of various kinds."

Arrangements are to be made with various national and local organizations which have offered or may offer their assistance, to utilize such services to the best possible advantage by co-ordination and supervision.

### OFFERS SERVICE

Brigadier Foster said here today in an interview that he expected such organizations as the Y.M.C.A., Knights of Columbus, the Salvation Army and ex-service men's organizations would all play a part in auxiliary services.

Brigadier Foster has been in the limelight recently both through his presidency of the Legion and because of attacks made on his administration of police affairs in Vancouver by Mayor Lyle Telford. The police commission declared the charges unfounded.

He went overseas in 1915 as a captain and assumed command of the 9th Canadian Infantry Brigade in 1919 with the rank of brigadier.

Mentioned a number of times in dispatches for conspicuous gallantry, he won British, French and Belgian military decorations.

In a statement issued today J. R. Bowler, general secretary of the Legion, commended the government for the selection of Brigadier Foster, and announced with satisfaction that Brigadier Foster would continue to head the Legion.

### Hitler's Astrologer Missing

BRESLAU, Germany (CP-Havas)—Adolf Hitler's personal astrologer, Elizabeth Ebertin, has been missing since the outbreak of the war. One of the few persons knowing the exact hour of the Fuehrer's birth, Frau Ebertin wielded great authority in Nazi astrological circles.

Approximately 80 by-products are now obtained in the beef cattle industry.

### CONVENTION TO MEET FRIDAY

A Sunday school convention, arranged by the Christian Education Committee of the Victoria Presbytery of the United Church of Canada, will be held in the Centennial United Church on Friday. Rev. Norman Cress will act as chairman.

The program will consist of three sessions, the first of which will begin at 3. Miss M. McDougall, Deaconess of the First United Church, will lead the opening worship service.

A planned conversation and general discussion on "The Sunday School Moves Forward," will be conducted by Rev. Dave Forsyth, National Boys' Work Secretary of the Board of Christian Education.

An exhibit of books and material entitled "Some Tools for Teaching" will be under the charge of R. Belford, representative of the Board of Publication of the United Church.

The supper session will be held at 6, and a free supper will be served with two short discussions to take place.

Dr. Andrew D. Reid will lead the worship service at the opening of the evening session at 7.30. Rev. Dave Forsyth and R. Belford will speak on "Departmental Methods of Teaching, Through Pictures."

Rev. H. Burkholder, General Secretary for Religious Education for the United Church, will give the closing message.

All Sunday school teachers, classes, members of the C.G.I.T., and members of young peoples societies who are interested in christian education, are invited to attend.

### Cripps Turns Down Labor Party Terms

LONDON (CP)—Sir Stafford Cripps, rejecting the Labor Party's terms for his reinstatement, declared the party was acting like "some totalitarian party in a dictatorship state."

Sir Stafford was expelled from the party last January after he had split with other Labor leaders on the question of a union of all British parties opposed to the policy then being pursued by Prime Minister Chamberlain's government.

A committee ruled that Sir Stafford's request for reinstatement would be taken into consideration only if he expressed regrets for having left the party. He must agree not to lead any campaign in violation of party policy.

### Pope May Make Appeal for Peace

VATICAN CITY (AP)—Vatican prelates said today they expected Pope Pius would issue the first encyclical of his reign October 29, the festival of Christ the King, and that it would contain an appeal for peace.

### Tourist Totals On Island Down

Effect of the ferry strike on the travel of United States tourist cars to Vancouver Island is revealed in a summary of the year's traffic issued by the provincial government travel bureau after an analysis of Dominion statistics on customs port entries.

The total travel registered in at the ports of Victoria and Sidney dropped from 10,182 cars last year to 7,788 cars for the tourist season ending August 31, the decrease being 2,394 cars.

Part of the drop was due to a slight contraction of all travel to the British Columbia coast this year but the big factor was the strike which halted the Black Ball Ferry connections for most of August. In August alone cars checked in at Victoria were down from 2,845 to 1,455 and at Sidney from 755 to 116. This accounted for most of the summer's decrease.

September was also below last year, with Victoria reporting 999 cars against 1,115 and Sidney 169 against 218.

For the province as a whole the bureau reported a 3.7 per cent drop in United States travel, from 117,793 to 113,819 cars.

"As was anticipated" the bureau said, "the diversion of effects of the San Francisco Exposition resulted in a drop in traffic from the Pacific Coast and mountain groups of states; but this was offset in large degree by increases from all other regions, due largely to the advertising and publicity of the bureau having been conducted on a national scale."

The mainland coast showed a drop from 80,159 to 76,719 cars. On the other hand the Okanagan area showed an increase from 3,796 to 4,905 cars and the Kootenay area a gain from 21,124 to 21,730 cars.

### LECTURE SERIES START WEDNESDAY

An interesting series of lectures sponsored by the Victoria branch of the Royal Astronomical Society of Canada has been arranged by officials of the society.

The first lecture of the series will be held at the Y.W.C.A. parlors next Wednesday at 8. The public are invited to attend.

Topics will be as free as possible from material of a technical nature, and the speakers will try to educate the public in the science of astronomy.

Following is a list of the subjects to be dealt with and the names of the speakers: "The Atmospheres of the Planets," by Dr. R. M. Petrie, to be held on October 11; "Mythology of the Sky," by Mrs. Diana Watts, to be held on November 1; "An Astronomical Trip to Paris," by Dr. C.

### "Why I Use Pacific Milk"

"Because it makes everything so nice and creamy, is good for puddings, cakes, soups, mashed potatoes, improves the flavor of tea, coffee, cocoa and cereals and is economical."—Mrs. H. L. A. in a letter just received.

### Pacific Milk

Irradiated and Vacuum Packed

S. Beals, to be held on November 22; "The Motions of the Stars," by Dr. J. A. Pearce, to be held on January 24; "The Sources of Solar and Stellar Energy," by Professor A. M. Crooker, which will be held on February 14; "The Theory of Probability—And Its Application," by Professor R. T. Wallace, which will be held on March 6; "How to Make a Telescope," by L. Hopkins and R. Hopkins, to be held on March 27, and "Astronomical Fallacies," by Miss Phoebe Riddle, to be held on April 17.

The annual dinner of the society will be held on December 13. Further announcements will be made later.

### C.C.F. to Contest Cranbrook Seat

VANCOUVER (CP)—The Co-operative Commonwealth Federation will contest the Cranbrook provincial by-election October 26, but has not announced when its nominating convention will be held.

The C.C.F. provincial executive decided to enter the fight for the seat in the provincial House made vacant by the resignation of Works Minister F. M. MacPherson, who was appointed to the federal Transport Board.

Liberals will nominate a candidate October 12 for what appears will be a two-party fight following the announcement the Conservative Party will not contest the riding.

### ... and cranberry sauce

When the first white settlers on this continent felt the urge to give thanks that their crops were safely in, Father took his blunderbuss and shot a wild turkey while Mother ventured into the marsh for cranberries. Turkey and cranberry sauce did not come out of the storehouse—so they became symbols for extra thanksgiving.

As you sit back after your Thanksgiving dinner in 1939, your pipe, cigar and cigarette give, if you come to think of it, cause for extra thanks.

For the industry which supplies you with the peaceful pleasures of smoking now supports some 300,000 of your fellow Canadians and adds to the work and wages of many thousands more on farms and railroads, in factories and stores. This is important to you, whoever you are, because Canada is more than a stretch of territory. It is a community of interests, an organization for living through which we all make our livelihood and in which we dwell in enviable comfort and security... And all this has been developed in a land which was forest and marshes when turkey and cranberry sauce became viands of thanksgiving.

IMPERIAL TOBACCO COMPANY OF CANADA, LIMITED

## When you add OVALTINE to Pure Milk

Your Children Get MORE than Just "Flavored Milk"

To the nourishing properties of pure, rich milk, Ovaltine brings not merely a delicious flavor, but the strengthening and energizing elements of malt plus milk plus eggs. And Ovaltine makes the milk more easily digestible.

By simply stirring Ovaltine into hot or cold milk, you MAKE a tonic beverage every element of which is known to you. You KNOW what your child is getting—a delicious, tonic food beverage which increases the digestibility of good milk and provides IN ADDITION valuable energy elements your child needs.

Give your children Ovaltine—at meals, after school, at bedtime. Watch the increase in energy, the happy smiles, the sturdy growth Ovaltine brings. You'll be glad you MADE SURE by giving them Ovaltine.

For Quality and Balance in a Tonic Food Beverage

## Some Old Assurances

WHEN FUEHRER HITLER ADDRESSES his regimented and docile Reichstag tomorrow he will not be able to plead ignorance of the intentions of Great Britain and France. Prime Minister Chamberlain and Premier Daladier have made it abundantly clear that while they will examine any reasonable peace proposal Germany may present, they will give short shrift to anything suggestive of a settlement of the present conflict on mere assurances from the Nazi oligarchy. On this point the heads of the British and French governments are in complete accord. Nor is there anything new in their reiteration of policy. Hitler knows this.

One or two historical facts as they relate to the Nazi chief's duplicity, however, are worth considering as the world waits to hear what the German Fuehrer has concocted since he last addressed the Reichstag on the eve of the Polish invasion. Take the following:

May 21, 1935, in the Reichstag: "The German government will scrupulously respect every treaty voluntarily signed. It will, therefore, in particular respect and fulfill all obligations arising from the Locarno Pact." In March, 1937, Hitler denounced the Locarno Pact.

March 7, 1936, in the Reichstag: "I tremble at what our continent would become should a Bolshevik revolution succeed in imposing on us an Asiatic conception of life. I shall prevent Germany from entering this path of ruin." Hitler's Foreign Minister von Ribbentrop signed the first pact with the Soviet government on August 22, 1939.

September 26, 1938, on Sudetenland: "And now the last problem which must be solved, and which will be solved, confronts us. I have assured Mr. Chamberlain that when this problem is solved, Germany has no more territorial problems in Europe." In March of this year Hitler seized Czechoslovakia and Memel.

January 30, 1939, in Berlin: "If the world wants to conclude that Germany has threatened other nations through military blackmail, this is gross distortion." Seven months afterward Hitler mobilized against Poland.

April 28, 1939, in the Reichstag: "The present fear is caused entirely by unbridled press agitation." Four months afterward the highly-mechanized Nazi army began the invasion of Poland.

The foregoing are just a few of the "assurances" to which Reichsfuehrer Hitler gave voice, coupling them always with varied verbal devices to convey the impression to the world at large that the burning desire within his innermost soul is to live at peace with all men. Small wonder, therefore, that Mr. Chamberlain—and he spoke for M. Daladier as well—should have said in the House of Commons on Tuesday that "no mere assurances from the present German government could be accepted by us," because "that government have too often proved in the past that their undertakings are worthless when it suits them that they should be broken." And that "no threat would ever induce this country or France to abandon the purpose for which we have entered this struggle."

## Lumber Outlook

CONTRARY TO EXPECTATIONS OF A sudden rise in lumber prices, with the advent of war, there has been no advance. Fir and cedar log prices actually are down about \$1 a thousand from the level of a year ago. Leaders of the industry have wisely made it known that their policy is not to raise domestic prices so long as costs remain stationary; also, that there is no thought of holding up the British importer because he is cut off from competitive Baltic markets.

The lumber industry is British Columbia's largest employer of labor. Reports show the industry is now operating at about 90 per cent of normal, with 10 per cent of its workers idle. Most camps and mills closed during the summer are running, but not at capacity. Resumption of fulltime and full payrolls depends on British lumber imports, now under government direction. Operators here believe Britain must have lumber. The chief problem to be overcome is that of transport under war conditions. On that depends the well-being of our No. 1 employing industry, and whether all its workers will be on the payroll during the winter months.

## Serious Japanese Setback

WHILE THE EYES AND THOUGHTS OF the world have been trained on and concerned with what is going on in Europe, little or no attention has been paid to the developments in the undeclared and "defensive" war which Japan is still waging against China. Now comes the news that the Japanese army has met with a serious reverse in its first major offensive in nearly a year. According to Chinese reports—which we are told have not been denied by enemy commanders or by the government at Tokyo—columns that had been driving on Changsha, capital of Hunan Province, had been thrown back and were withdrawing across the Mi River, 40 miles north of the city.

The result of this new attack on Changsha, the second unsuccessful one in the last 12 months, has suggested to a Japanese spokesman that no further attempt would be made to capture the city because it has "no military significance." Be this as it may;

it is recalled that a year ago, when Japanese forces neared the city, much of it was burned by the Chinese in conformity with the "scorched earth" policy of preventing useful equipment and buildings falling to the Japanese. It is nevertheless asserted by a Chinese spokesman that the invaders had lost more than 10,000 dead in the Hunan offensive, which in itself is suggestive that the military command only recently thought the object of the drive—Changsha—was at least of sufficient "military significance" to make elaborate precautions for its capture.

This undeclared war in China will soon be 30 months old, and although the Japanese forces have established themselves in large areas of Chinese territory—which is neither doing them much good nor unduly dismaying the defenders—the end of the conflict appears to be as far off as ever. Far from realizing quick results from the Tokyo military government's idea of a "Blitzkrieg," the invaders must be realizing, as did Napoleon, that geography is a stubborn foe, especially when it is allied to the determination of a people fighting for their existence. And every month which separates Japan from victory, weakening her resistance on the home front as well as on the military front, China's potential strength grows commensurately. Time is the defender's great asset.

## Rogers Chooses Foster

CANADA'S MINISTER-OF-NATIONAL Defence, Hon. Norman Rogers, is to be congratulated on availing himself of the services of Brigadier W. W. Foster, Vancouver's Chief Constable, recently completely cleared of "unfounded" charges against his administration of police affairs in Canada's third largest city. Brigadier Foster, who, by the way, is also President of the Canadian Legion, has been appointed director of auxiliary services for Canada's active force—air, naval and military. It will be his task to organize the recreational, educational and religious facilities for the forces, and in so doing he is to follow a principle laid down by Canada's new Minister of Defence that "the service of former members of the forces who are now unable to enlist for active service should be utilized in every way possible."

Brigadier Foster went overseas in 1915 as a captain and assumed command of the 9th Canadian Infantry Brigade in 1919 with the rank of brigadier. He was often mentioned in despatches for conspicuous gallantry, while British, French and Belgian military decorations adorn his breast in testimony. He has been much in the limelight in recent days, publicity concerning him coming under two heads: Highly-complimentary as president of the Canadian Legion; distasteful and unwarranted as the target of Mayor Lyle Telford's police administration "charges." It would have surprised nobody if he had decided that a policeman's lot is not a happy one—and left the blue-coated force.

## Finland and War Debts

NOTING THAT THE NEXT DATE FOR instalments on debts due to the United States from various European countries is not far off, the Seattle Times says "it begins to look as if we may not again have occasion to praise Little Finland for unfailing and prompt payment. Finland alone has fulfilled the pledge made by all debtor nations, and so has come in for American commendation at least twice a year. But Stalin is reaching out. With most of Poland, and all of Lithuania, Latvia and Estonia brought under Soviet control, Finland is next in line. And all the world knows how much respect Stalin has for debts." Yes, our contemporary in the progressive Sound City has had ample opportunity of assessing the value of a dictator's promises; and it is under no delusion about the practical economics of the war debt question.

Goebbels continues to affirm the right of neutral nations. Then, too, pedestrians are always guaranteed the right of way.

The San Francisco World's Fair is running so far behind expectations that directors have decided to cut their losses and close this month instead of in December. Financial troubles of the New York fair continue to multiply. It looks as if they were the world's fairs to end all world's fairs.

## On Barring German Music

From Ottawa Citizen

Sir Ernest MacMillan expressed the feeling of sensible Canadians when as head of the Toronto Conservatory of Music he told the faculty the other day that he hoped "there will be no silly talk of cutting German music from our programs." Such men as Beethoven, Bach and Mozart, he said, composed for the world, not for Germany, and much less the present regime in that country. Like most of us, Sir Ernest remembers some of the more puerile manifestations in the last war. During that conflict we had the spectacle of men and women, some in places of high responsibility, letting their emotions carry them away to the extent of publicly advocating the suppression of German music.

After the war most of such zealots were a little sheepish about their behavior. But they at least had the excuse of being new to a world war atmosphere. There is no such excuse today. Without being maudlin in our desire to remain level-headed in a contest for survival against Germany, we ought at least to remain adult in the matter of music. Barring the works of German masters can mean no loss to the enemy. The losers are ourselves.

As Sir Ernest MacMillan reminded us, the worst way to fight Nazism is to become Nazi-minded ourselves.

## Thoughts

Come, ye children, hearken unto me: I will teach you the fear of the Lord.—Psalms 34:11.

Fear is the mother of foresight.—H. Taylor.

## Loose Ends

By BRUCE HUTCHISON

### QUEBEC

THE WAR is going to show, much sooner than anybody could have foreseen, whether Canada is a nation or not. The Quebec election will show it.

Nothing since the Great War, probably nothing since Confederation was founded, has been more important to Canada than the Quebec election. What Premier Duplessis is asking Quebec is to go into complete isolation, to remain neutral in the war, to split this nation between its two races at the Ottawa River—nothing less. If he wins the election the work of making a nation out of our two races will be set back at least a generation, Canada will go through the war completely divided and Adolf Hitler will be well pleased.

When Duplessis announced that he would appeal to Quebec a year ahead of the normal date on the question of "provincial rights," it seemed like an unfortunate time to raise such an issue. But when Mr. Lapointe announced that he and the other Quebec ministers would go into the campaign, and accept it a test of the King Government's war policy, then the election became a test of Quebec's future in the war and in Canada—nothing less.

To win, Duplessis must have with him all that latent nationalist sentiment which would keep Quebec a nation within a nation, a little French nation apart from Canada.

That is the sentiment which elected Duplessis in the first place. That is the sentiment which he has fed and fattened and inflamed for three years. Now, to be re-elected, he must inflame it still more, he must broaden his provincial rights cry into an attack on the whole war program of the federal government.

That is the issue—whether Quebec is in the war or not—which Lapointe and the other Quebec ministers at Ottawa will demand that every French-Canadian voter answer in the election. If Quebec answers in favor of Duplessis on an issue thus laid down it will shake Canada to its foundations. If Quebec repudiates Duplessis and the nation-within-a-nation theory this country will have achieved in a few months of war a greater measure of unity than it achieved in the previous 72 years.

### COMPROMISE REJECTED

THE FIRST THING to understand about the Quebec election is that Duplessis has repudiated not an ultra-imperialist policy at Ottawa, not a no-compromise policy, not an anti-Quebec policy but, on the contrary, a compromise designed specifically to satisfy Quebec.

That was what the federal government and the Conservative Opposition meant when they pledged themselves to oppose conscription.

It was on this condition that Lapointe and the other Quebec leaders accepted the war policy. It was to be a policy of fullest voluntary co-operation with Britain, but no compulsion. Lapointe thought his people would accept it when they saw how it worked. He didn't know that Duplessis wouldn't give it a chance to work.

To work, of course, it required the centralization of large new powers in the federal government. The federal government had to control the nation's finances, and that meant controlling the movement of capital in and out of Canada. It had to control provincial borrowings. It is on that point that Duplessis raises the whole question of Quebec's future.

### COMPACT WOULD END

BUT IF THE federal government's policy is repudiated by a third of the nation and the whole French race, that ends the federal government's compact. That ends its compromise, its pledge not to impose conscription. Quebec having refused to accept a policy of co-operation, Canada will have to go ahead with the war as seems best.

Undoubtedly—and this is what they foresee at Ottawa today—there will come a demand from other provinces for conscription. There will come the cry that one-third of the nation should not be exempt from the burdens of the war. There will come inevitably—and it would be childish to blind ourselves to it—a fierce antagonism to Quebec throughout the English-speaking provinces. It will be 1917 over again with no Laurier to hold his people, with a government of Fascist tinge in office in Quebec, with a background of four years of anti-British agitation all along the St. Lawrence.

### THE LEADER'S LEADERS

(President Butler of Columbia says that five astrologers advise Hitler.)

Five men trained in Chaldean art help the Fuehrer play his part.

From their towers, in the sky, They watch the fatal stars wheel by.

Just as in ancient Babylon, For Nebuchadnezzar once was done.

Daily, he from his seers inquires If Heaven's in league with his desires.

Says one, "From Danzig stay your hands Until your star in zenith stands."

Says number two, "Lo the Great Bear Is in the ascendant. So beware."

So on his hilltop, he communes With men who know the cosmic runes.

That is the solemn task to say That the night proclaims "The Day,"

When from the skies will thunder down Death on many a Europe town.

Der Fuehrer, in his own way, may advise Through each of portents in the skies,

In Capricorn or Charles Wain, Though all's uncertain, one thing's plain,

That all the same star wisdom utter "Keep long of guns and short of butter."

## WHERE SHE ISN'T

From St. Catharine's Standard

It is almost certain, despite all the rumors, that the Bremen has not reached any neutral port in Switzerland.

## Better English

1. What is wrong with this sentence? "Now I wish to see you worse than ever."

2. What is the correct pronunciation of "profuse"?

3. Which one of these words is misspelled? Proceed, proceeding, procedure.

4. What does the word "requisite" (adjective) mean?

5. What is a word beginning with line that means "incapable of being expressed in words"?

### Answers

1. Say, "Now I wish to see you more than ever." 2. Pronounce the s as in loose, not as in lose. 3. Procedure. 4. Required by the nature of things; necessary. "He was endowed with the gifts requisite to an orator." 5. Ineffable.

## What New Weapons For This War?

By HAROLD PETERS

ONE THING that seems certain in an unpredictable war is that the conflict will produce new weapons of destruction and new uses and developments of old ones. But the first month of the second Great War gave no indication of what form the innovations may take.

In his "conqueror's speech" in Danzig in mid-September Adolf Hitler referred to invincibility of the British navy on the water, but added that Germany also had an invincible arm. While most military observers believed he meant his powerful air force, others believed he might have referred to some secret weapon.

THE WAR in its opening stage, however, failed to bear out the penny-dreadful rumors of the past few years that scientists had developed fantastic rays—rays that would take life at various distances, rays that would put gasoline engines out of commission by neutralizing the electric spark—or that Germany had available a wood-burning plane operating cheaply and efficiently.

In laboratories and machine shops scientists of the belligerent nations work constantly on new ideas. Any successes they achieve will become known only when they are used, as was the case with the two main surprises of the first Great War. The first was poison gas and the second the tank.

DEVELOPMENT of the machine gun from a comparative toy, of the depth charge and the convoy system as weapons against submarines, were other products of the 1914-18 demands for new arms.

One new weapon-defensive only—to emerge from this war is yet untried. It is the fantastic-looking balloon squadron that London sends up to snarl hostile airplanes which may seek to bomb it.

Riding at various heights, attached to cables and supporting horizontal wires, these balloons are intended to prevent planes from approaching London at heights that would allow accuracy of bombing.

POISON GAS was the first major surprise of the last war. It was sprung by Germany on the Canadians at Ypres April 22, 1915.

Professor Haber, a distinguished chemist of Jewish origin, propounded the idea of poison gas warfare to the German high command but found them skeptical and slow to appreciate its possibilities. They limited Haber to the use of cylinders instead of shells, so that the use of gas depended entirely on a favorable wind.

When gas was first employed

## HOSPITAL BEDS AT CLIVEDEN

From New York Post

It comes as a kind of tragic footnote to "appeasement" to learn that Lord and Lady Astor have offered their famous country home at Cliveden to the Canadian government, to be used as a Red Cross hospital.

The "Cliveden set" which, it was popularly supposed, met at this house, played a leading part in supporting the doctrine of peace through appeasement. If there was an ideological home for the movement, this was it. There were those in Britain who said from the beginning that the upshot of surrender would be war.

They have, unhappily, been proved correct. The heat cots move into rooms where historic discussions may have taken place.

## MEMORY

From New York Post

Harry K. Thaw entered the famous dining hall at the Coronado Beach Hotel near San Diego, Calif. The head waiter greeted him enthusiastically. "How did you know my name?" Thaw asked. "I was your waiter at the Madison Square Garden Roof

Canada has a bountiful harvest. Many consider B.C. enjoys more than other provinces. Let us be thankful for the blessings which so many in our Empire are unable at this time to enjoy.

"It is a good thing to give thanks unto God."

IF IT'S Borden's IT'S GOT TO BE GOOD

COME ON, YOU CAN MAKE THIS CANDY EASILY!

"Delicious, nourishing, home-made candy," says Elsie, the Borden cow, as simple as ABC to make... with Eagle Brand Sweetened Condensed Milk!

Just try this "magic recipe" for a perfect chocolate fudge that is never too hard or too soft—never sugary.

And if you'd like to have a lot more short-cut recipes for making wholesome Candies and Cookies, send now for a FREE COOK BOOK to The Borden Company, Ltd., Dept. 159, Spadina Crescent, Toronto, Ont.

**MAGIC CHOCOLATE FUDGE**

3 cups unsweetened chocolate  
1 1/2 cups (1 can) Eagle Brand Sweetened Condensed Milk  
1 1/2 tablespoons butter  
2 1/2 cups sifted sugar  
1 tablespoon vanilla

Cut up chocolate and melt over hot water in double boiler. Add Eagle Brand. Bring water in under pan to rapid boil and cook mixture with frequent stirring, until a thick smooth mass is formed (about 5 to 7 minutes). Remove from heat and add butter and 1 teaspoon salt. Gradually work in the icing sugar, then vanilla. Spread about 1 inch thick on a lined with waxed paper. Cut into firm. Cut in squares with sharp knife.

## Graham-Edwards Wedding Lovely Ceremony

At one of the prettiest ceremonies of the season, the marriage of Elizabeth Louise, only daughter of Major and Mrs. G. D. Edwards, 1368 Hampshire Road, and Mr. Douglas Kenneth Graham, only son of Dr. and Mrs. D. W. Graham, Joan Crescent, took place last evening at 8 in St. Mary's Church, Oak Bay. Archdeacon A. E. de L. Nunn performed the ceremony in the presence of a large congregation.

Tall cathedral tapers in standard holders lined the choir stalls, and pink dahlias and Michaelmas daisies were arranged before the chancel rails, with white ribbon bows marking the guest pews.

Major Edwards gave his daughter in marriage. The petite bride made a charming picture in her wedding gown of ivory satin, that was worn by her aunt and namesake, Mrs. P. M. Anderson of Regina, formerly Elizabeth Edwards of Carleton Place, Ontario. The gown was fashioned with a tight-fitting bodice with short sleeves, the skirt ending in a court train, with dust frills of ivory tulle. Lovely old rose point lace formed an apron on the skirt and the same lace was draped on the square-necked bodice as a fichu while the neckline of the bodice was trimmed with pearl and bugle trimming. Her wedding veil of illusion net was worn with a coronet of pearls. She carried a circular bouquet of gardenias.

Miss Constance Ann Hobbs was maid of honor, Miss Frances Graham, sister of the bridegroom, and Miss Marjorie Brown were bridesmaids, gowned alike in Queen's blue lace with very full skirts, draped bodices buttoned down the front, and short puff sleeves.

Miss Hobbs wore a small hat of the same lace as her dress, trimmed with a pale pink ostrich tip, and Miss Graham and Miss Brown wore hats of blue net trimmed with pink roses. They all wore pale blue mittens and carried pink colonial bouquets. Little Miss Heather Scott, the flower-girl, wore a Kate Greenaway frock of dusty pink satin with a dusty pink hat of pleated net and a colonial bouquet of blue flowers.

Mr. Edmond Christopher was best man, and the ushers were Mr. Henry McCandless and Lieutenant Roland Horsey. Mr. F. C. T. Wickett played the wedding music.

## RECEPTION HELD

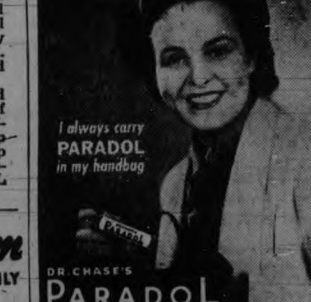

A largely-attended reception was held at the home of the bride's parents, 1368 Hampshire Road, Oak Bay, where the guests were welcomed by Mrs. Edwards wearing amethyst velvet, a hat to match with blue ostrich plume, and a corsage of pale pink roses. She was assisted by Mrs. Graham, with a wine-colored lace dress, a navy blue hat and a corsage bouquet of talisman roses.

Dr. Thomas McPherson proposed the toast to the bride. The bride's table was adorned with white chrysanthemums and centered with a three-tier wedding cake surmounted with sweetheart rosebuds, and surrounded with smilax and sweetheart rosebuds with white tapers in silver candelabra.

Mr. and Mrs. Graham left for the mainland on a motor trip of announced destination and later will make their home at 2340 Trent Street, Victoria. For traveling the bride wore a forest green dress and hat and a short grey fur jacket, with corsage of gardenias.

Among the out-of-town guests at the wedding were Mrs. A. F. Edwards and Mrs. Arthur Edwards of Seattle, Miss Frances Graham of New Westminster, Miss Lois Pendray of Vancouver and Mrs. S. Congdon of Yakima, Wash.

**for HEADACHE and other pains**

Mr. and Mrs. Harry Laycock, who were married recently at the home of the bride's parents. She was the former Pearl Rose Findlay.

## Social and Personal

Miss Pamela Beard, daughter of Commander and Mrs. C. T. Beard, the Uplands, will leave on Monday evening next for England, where her marriage will take place to Lieut. R. N. Hankey, R.N. She will be accompanied by her mother as far as Vancouver, where they will spend several days before Miss Beard leaves for the east. In England, where she will meet Commander Beard, who left earlier this month to take up naval duties connected with the convoys between Canada and England, Miss Beard will be the guest of Lieut. Hankey's mother, Mrs. A. Hankey, Oxford, until the wedding.

Mrs. G. L. Milne, Dallas Road, has as her guest her sister, Mrs. J. Exton Cresley of Toronto.

Mrs. Shirley Congdon of Yakima and Mrs. Arthur G. Edwards of Seattle, who came over for the Graham-Edwards wedding that took place yesterday evening, will return to their homes in Washington state tomorrow.

Mr. and Mrs. Lionel Bale of San Francisco, who have been visiting the former's parents, Mr. and Mrs. D. H. Bale, "Argos", Stadacona Avenue, left this afternoon for Seattle en route to their home.

Mrs. Chas. F. Corbett, Link-leas Avenue, left this afternoon for Vancouver, where she has taken Mrs. E. G. Mather's home, 1825 Drummond Drive, for the winter months, to be near her son, Mr. Fraser Shepherd, who is attending U.B.C.

Mrs. H. S. Hurn and Mrs. P. B. Scourrah will leave this evening for Vancouver to join the mainland delegation leaving for Houston, Texas, to attend the International convention of the P.E.O. Sisterhood, at which Mrs. Hurn and Mrs. Scourrah will represent the Victoria chapters.

A surprise shower was held yesterday afternoon in honor of Mrs. Alec Johnston, 245 Menzies Street, the occasion being the 34th anniversary of her wedding. The party was arranged by her daughter, Mrs. Fred Neufeldt, and a number of friends, including Mrs. E. L. Clarke, Mrs. L. Foss, Mrs. R. Muirhead, Mrs. R. B. Simm, Mrs. J. Johnston, Mrs. T. Flannigan Sr., Mrs. P. Flannigan Jr., Miss Marguerite Underwood, Miss Marguerite Johnston, Miss Nora Johnston and Miss Joan Crowther attended. The guests presented Mrs. Johnston with a beautiful corsage bouquet. Tea was served from a table decorated with pink rosebuds and pink tapers in silver sconces, the decorated anniversary cake holding the place of honor.

Complimentary to Miss Winifred Beecher, whose marriage to Mr. E. D. Stanbury of Niagara Falls will take place this month, Miss Pearl Matthews entertained at a shower at her home on Linden Avenue. On her arrival the guest of honor was presented with a corsage of pink carnations and talisman rosebuds, and the gifts were arranged on a tea-wagon topped by a white petal-covered wedding bell. Games and contests were enjoyed and a buffet supper was served from a lace-covered table centred with a silver basket of pink and mauve asters and lighted by tall pink candles in silver holders. The invited guests were Mesdames B. Tallack, G. McFarlane, A. Ford, C. Price, O. Beecher, E. Ridout, G. Stade, J. Thorpe, R. Beecher, E. Matthews, and the Misses Enid Flint, Madge and Ruth Randall, Nellie and Dora Hume, Marjorie Gillies, Joyce Beecher and Muriel Ridout.

Miss Stephanie Campbell, daughter of Mr. and Mrs. Gordon A. Campbell, Uplands, entertained at a small luncheon party at the Victoria Golf Club today in compliment to two brides-to-be, Miss Pamela Beard and Miss Ivy Brown.

Miss Lois Pendray of Vancouver, after spending a few days with her mother, Mrs. Roy T. Pendray, Linden Avenue, and attending the Graham-Edwards wedding yesterday evening, returned home this afternoon.

Mrs. P. R. Brown, Dorchester Apartments, Oak Bay, assisted by her daughter, Mrs. G. A. F. Townsend, entertained at a tea and kitchen shower this afternoon in compliment to her niece, Miss Ivy Brown, who is to be married this week to Lieut. Douglas W. Cunningham, R.C.E. The reception rooms were attractive with autumn flowers, and the table, at which Mrs. Herbert A. Brown presided, was centred with tall yellow tapers in silver candelabra. The other guests included Mrs. D. G. L. Cunningham (Calgary), Mrs. G. S. Brown, Mrs. T. A. Brown, Mrs. C. E. Brown, Mrs. Burnley Hall, Mrs. C. F. Earle, Mrs. F. J. Norris, Mrs. Cleve White, Mrs. A. S. Ashwell, Mrs. J. Exton Cresley (Toronto), Mrs. F. F. Pease, Mrs. D. S. Gillies and the Misses Marjorie Brown, "Biddy" Swaine, Margaret Sutcliffe, Joan Fort, Gloria Wilson, Kathleen and Margot Greer, Gladwyn Beasley, Muriel Craig and Helen Balrd.

In honor of Miss Olive Flannigan, whose marriage to Mr. Allan Gordon Bratvold will take place shortly, Mrs. P. Cornock and Mrs. J. Gibson were hosts at a miscellaneous shower yesterday evening at the home of Mrs. Emmanuel Baptist W.A. held its monthly meeting on Monday at the home of Mrs. W. J. Wilson, 2527 Cedar Hill Road. The devotional was conducted by Miss M. Jamieson. After the business session Mrs. P. D. Parfitt read a paper on "The Life of Mrs. J. C. Lauren." The social hour, during which Miss Nellie Scowcroft gave a recitation, was much enjoyed and refreshments were served. The next meeting will be held at the home of Mrs. G. Anstey, Gonzales Avenue.

## Use Today's Fresh Fruit Bargains to put up delicious Jams and Jellies

**... BUT MAKE THEM WITH CERTO IT'S SO QUICK AND EASY - GIVES SUCH SPLENDID RESULTS!**

What are the most important qualities in jam or jelly? Taste, texture and colour rate highest. And judges in exhibitions and contests usually allow 75 out of a possible score of 100 for taste and texture alone!

Certo gives you a grand start in fresh, natural taste as well as colour, because you can use luscious, fully-ripe fruit instead of the under-ripe fruit commonly used in old-fashioned jam and jelly making. The tested Certo recipes all ensure a firm desirable texture.

That is why 3 out of 4 jelly champions use Certo.

## WHY CERTO JAMS AND JELLIES ARE MADE SO QUICKLY—TASTE SO FRESH AND WHOLESOME—COST SO LITTLE

**A Whole Batch in 15 Minutes!**

Yes—with Certo it takes only 15 minutes from the time your fruit is ready to make a whole batch of jam or jelly. The old-fashioned way often takes 3 times as long.

**An Amazingly Short Boil**

With Certo you give only a one-minute to two-minute full, rolling boil for jam—for jelly only a half-minute to a minute. You don't exhaust yourself stirring over a hot stove.

**Much More Jam or Jelly**

With Certo you get about half again more jam or jelly from the same amount of fruit. The boil is so short that practically no juice goes off in steam as it does in the wasteful long-boil.

**Better Taste—Brighter Colour**

All the fresh, natural taste and colour stay right in the fruit when you use Certo. The boil is too short to affect the one or darken the other.

**No Anxiety About Results**

Easy-to-follow recipes are included free with Certo. They detail every step and give exact timing for each fruit. Follow them closely and you'll get good results.

## FREE BOOK OF 72 RECIPES

Under the label of every bottle of Certo there is a book of 72 tested recipes for jam, jellies, marmalades and conserves. Since different fruits need different handling, Certo gives you a separate recipe for each fruit... Be sure to follow each recipe exactly.

Use this splendid opportunity while fresh fruit is plentiful to try Certo. For the Certo way is the modern and certainly the most sensible way to make jams and jellies. Order Certo with your groceries today.

## Weddings

CARVER—SWAN

The many friends of the bride, who with her parents, Mr. and Mrs. Titus L. Swan, lived on Moss Street for a number of years before leaving for Scotland some years ago, will be interested in the following item from the Hertford Times, England, of Saturday, September 9.

"The wedding took place at Tupsley Church on Wednesday, the ceremony being a quiet one owing to the international situation, of Mr. John Gerald Carver, son of Mr. and Mrs. F. T. Carver, of Ingarsby, Aylestone Hill, Hereford, and Miss Maisie Swan, daughter of Mr. and Mrs. T. L. Swan of Barnet, Herts.

"The vicar, the Rev. J. S. Dugdale, officiated, and Dr. Percy C. Hull was at the organ. The church was decorated in autumn colorings.

"The bride, who was given away by her father, wore a turquoise blue two-piece dress of light wool, with black accessories, and a spray of white carnations. She carried a white prayer book. There were no bridesmaids. Mr. Ronald Carver, the bridegroom's brother, was best man.

"As the bride entered the church, Dr. Hull played the bridal march from Wagner's 'Lohengrin.' The hymn, 'Lead Us, Heavenly Father, Lead Us,' was followed by the blessing of the ring. Psalm 121 and prayers. After the second hymn, 'The King of Love, My Shepherd Is,' there was a short address, followed by the hymn 'God Be in My Head,' and the service proceeded with the blessing. During the signing of the register, the hymn, 'Praise, My Soul, the King of Heaven,' was sung, and Dr. Hull played Mendelssohn's Wedding March as the bridal couple left the church.

lowed by the hymn "God Be in My Head," and the service proceeded with the blessing. During the signing of the register, the hymn, "Praise, My Soul, the King of Heaven," was sung, and Dr. Hull played Mendelssohn's Wedding March as the bridal couple left the church.

"There was no reception, but Mrs. Swan held a family luncheon party at Ingarsby.

"Mr. and Mrs. Carver left for a brief honeymoon in the south of England, before the bridegroom joined his regiment."

Oak Bay Eastern Star will hold an auction bridge this evening at 8 in Oak Bay Theatre Hall. Poultry prizes and refreshments will be provided.

## Catholic League Plans Activities for Fall

The library of the Bishop's House, View Street, was the scene of the regular meeting of the senior subdivision of the Catholic Women's League of Canada, with the president, Mrs. W. C. McManus, in the chair. Welcome was extended to Mrs. Hendrickson, a new member. Much interest was shown in the recent diocesan convention held in Nanaimo, and congratulations were extended to the diocesan president, Mrs. Blair Reid, on the success of that gathering. Mrs. P. C. Shaw reported on the visiting of the sick in St. Joseph's Hospital, and during October she will be assisted by Mrs. A. Costello.

Mrs. J. J. O'Brien reported on the remaining of Catholic papers and magazines, and also on the progress made by a group interested in credit unions. The annual fall country fair, in aid of St. Louis College, to be held today, was in the way of being a very successful affair, as the committee had everything in good order. Further plans for the annual bazaar, which is dated for early December, were made, and generous donors were named.

Reporting on education, Mrs. Frances Ebbs-Canavan said the annual presentation of prizes at St. Ann's Academy would take place on October 12, and the Sister Superior extended an invitation to the members of the league to be present. History prizes for St. Ann's Academy and the kindergarten school have been donated by the senior subdivision.

Mrs. Blair Reid read the circular letter from the national executive stating the necessity for women to register for war work, and outlining the program that would eventually be undertaken by the members of the local subdivisions of the league. Mrs. McManus was named as representative on the advisory board of the Red Cross, with Mrs. J. L. Thompson, convener of Junior Red Cross, as her assistant. A report was also given on the proposed first aid and home nursing courses under the St. John Ambulance Corps. Other matters of routine business were laid over until the next regular meeting.

## Poetess to Address Canadian Club

The speaker at the Women's Canadian Club on Tuesday afternoon next, at 2.45, in the Empress ballroom, will be Mrs. Doris Ferne, convener of the poetry group of the Victoria and Islands Branch of the Canadian Authors' Association. Mrs. Ferne will speak on "Contemporary Canadian Poetry," of which she has made an intimate study.

She herself is a poet of high merit, having won awards in several major poetry competitions conducted in eastern Canada and through the Canadian Poetry Magazine. She recently was honored by having some of her work included in an anthology compiled as a memorial to Edgar Allan Poe. Many of her poems have been published in leading magazines in Canada and the United States, and she is a member of the Poetry Society of London, England. It was through her efforts that the Victoria Poetry Clubbook was published, this now being recognized as one of the leading poetry magazines in Canada today.

Miss Honor Benson will be the soloist, with Miss Gloria Wilson as her accompanist.

## WHY SOME PEOPLE GROW OLD QUICK

Everybody should know the facts

Why do some people keep youthful, while others grow old quickly, before their time? Are you too busy to learn the truth? Are you prepared to face the facts and to admit them, if they apply to you? We say you may find new joy in living if you read and heed these frank statements.

Thousands of people just don't bother to do anything about constipation. They even refuse to believe they are constipated. They think that if a person is regular, that is all that matters. Occasionally they take "a good dose of something" when the need is evident. That is definitely not the way. The way to keep feeling fit, to prolong the years of youthful exuberance and well-being, is to keep the entire system free as possible from impurities and poisons. That means the blood, the kidneys, the intestines and the bowels. To do that your body must get certain minerals in some way.

We make no exaggerated claims for Kruschen Salts, but we recommend the "little daily dose" because Kruschen contains several valuable mineral salts in highly refined form. Each salt has its particular function. In combination they help rid your system of excess poisons each day. Thus free from the ageing effects of accumulated impurities you are much less apt to suffer from splitting headaches, acid indigestion, rheumatic pains, listlessness, because your excretory organs are encouraged to function normally.

Thousands upon thousands of people throughout the world refer to the general well-being it imparts as "that million dollar Kruschen feeling". Start "the little daily dose" right away and just see for yourself! At all drug counters 25c, 45c, 75c.

## Forget the time REMEMBER HEINZ

Just five minutes to meal-time, but — no matter! Her Heinz Soup will be ready for the table in a couple of jiffies. Heinz Soups need no additions, no diluting, no work — only heating. They have an unforgettable "home-made" taste, too — the result of skillful cooking, patience, Heinz care throughout.

There's the best of everything in Heinz Soups — fine meats and vegetables, real cream, real butter, grand Oriental spices — all highest quality. They're soups you'll always be proud to serve. Order a few tins of Heinz Home-Style Soups from your dealer today. 18 kinds to choose from — each ready to heat, serve and enjoy.

## Dr. H. Anderson Heard By James Bay P.-T.A.

The James Bay Parent-Teacher Association met in South Park School Tuesday evening. Mrs. E. G. Day was in the chair and F. G. Mulliner, school trustee, was present.

The secretary and treasurer read their reports. It was decided to hold a card party at the school on October 13, particulars to be announced later. The annual bazaar will be held on November 3.

Mrs. Dorothy H. White gave a report of the meeting of the B.C. Federation, held here last month. The reports of the various convenors were briefly outlined and the resolution sent to the Premier and the Minister of Education read.

Dr. Henrietta Anderson of the Normal School spoke on "The Parent-Teacher and the Child," comparing the school of today with that of 40 and 50 years ago, and the changed outlook on education, stressing the loyalty of parents to the school and the need for co-operation with the teacher.

She spoke of the modern trend in education, which was realizing the fallacy of trying to fit square pegs into round holes, with the result that curricula were being evolved to meet the needs of the large percentage of children who are not possessed of academic minds. She also emphasized to the parents present the need of more sleep for children attending school.

The meeting expressed regret at the loss to South Park School of J. T. Ross, who has been appointed to the George Jay staff. Kenneth Ross of North Ward has succeeded him at South Park. At the close of business refreshments were served by Mrs. W. Draper and her committee, and a social half-hour enjoyed.

## Hunting Death Was Accidental

Accidental death was the verdict brought in by a coroner's jury at an inquest over David George Lord held yesterday afternoon in Sands Mortuary Chapel. Lord succumbed early Monday morning to injuries suffered Sunday afternoon when the gun of a hunting companion, Charles Alvin Grieve, aged 18, accidentally discharged.

The jury returned with its verdict after deliberating only a few minutes. Dr. E. C. Hart, coroner, presided.

Grieve appeared to have undergone a terrific strain since the accident, which took place in a swamp-like area near Luxton.

He told the jury Lord met two friends, Gordon Peden and Harold Crooks, who also were on a hunting trip, and decided to hunt rabbits together. They found a hole and Peden started to poke around with a stick, trying to flush the animal. The hole went into a small rise on the edge of the swamp — known as Cook's Swamp. Grieve said he went behind the mound to see if there was another exit. He found none and walked back to the other boys, and just as he put down his gun he heard a shot.

Grieve said he saw Lord was injured and rushed over to help him. He rolled up Lord's pant leg, took off his belt and strapped it above the wound to try and stop the flow of blood. Lord was sitting down when the bullet struck.

Not knowing whether or not it was his gun, a 30-30 Savage rifle, that had gone off, he went back to examine it. He found the bullet in the breach had been fired. Grieve said the gun was cocked but the safety catch was on. He never took the safety catch off unless he was going to shoot, he said. He had handled guns for several years, Grieve said.

### WARNING TO SPORTSMEN

Testimony given by Corporal J. A. Young of the Provincial Police should serve as a warning to all sportsmen to be careful in the way they handled their rifles. Most rifles, with the exception of the bolt-action type, if jarred or bumped vertically or horizontally, would go off if cocked and ready for firing with the safety off, he said. Grieve's gun, he said, could be jarred off. Its trigger pull was comparatively light. In answer to questions from F. C. Elliott, appearing on behalf of Grieve, Corporal Young said it was possible for the safety to be thrown off and the gun discharging if it was put down a certain way.

Peden, 16 years, and Crooks, 17 years, testified they did not see the accident. Both were busy trying to flush the rabbit. When they heard the shot they looked around and saw what had happened to Lord, who was behind them all the time.

Dr. J. H. Moore, who attended Lord in the hospital, said the bullet entered the left hip, traveling upward and forward and causing a terrific wound in the abdomen. He operated and took the bullet out and gave Lord a blood transfusion.

Members of the jury were: F. W. Massey, foreman; Philip Salmon, J. R. A. Pearson, R. L. Smith, J. P. Skinner and H. Atwell.

## Pursue Search For War Metals

The search for necessary war minerals — mercury, tungsten, manganese and molybdenum — in British Columbia, was spurred today by the Department of Mines sending out samples of the ores to all gold commissioners.

Commissioners will put the samples on display for prospectors, who will then know what to look for in the hills. The samples have been obtained from companies who are operating these ores on the continent, Hon. W. J. Assestine, Minister of Mines, said today.

Mr. Assestine said that when discoveries are made the department will make a full examination and complete reports to assist in their rapid development.

## Hitler at Victory Parade in Warsaw

BERLIN (AP)—Reichsfuehrer Hitler went today to Warsaw, Poland's fallen capital, and inspected the Nazi forces which effected the city's surrender.

He reviewed a parade of the victorious forces immediately after the inspection.

First word of his activity in dismembered Poland on the eve of his Reichstag speech came in a report from the Fuehrer's field headquarters by DNB, official German news agency.

Officials earlier had refused to say whether Hitler had gone to Warsaw and his flag still flew over the chancellery.

# College Looks For Busy Year

## Sports Mirror

BRITISH COLUMBIA rugby players who have tested the mettle of California English code teams and found it good, though seldom good enough to beat them, will have an opportunity shortly to reach an academic decision as to their strength in general United States circles.

In previous years provincial squads have toured the Sunshine State and won most of their games.

On Sunday night the Hollywood team, assembled by screen star Victor McLaglen, will play the Chicago Rugby Club for the United States championship at Soldier Field. If the Hollywood team wins, it would be safe to say British Columbia has the best rugby material on the continent.

And, when conditions are more favorable, it would appear that international rugby games might be arranged between Canadian Pacific Coast teams and those of the central states.

Pin boys in Montreal bowling alleys staged a walkout this week. That's one strike the trundler won't enjoy.

The Newark Ledger, in a news story this week, stated Tony Tony Galento was "ready to risk his sight for another 'go' with Joe Louis and the big purse it would mean." Joe Jacobs, who conducts the business discussions for "the keg that walks like a man," has issued an emphatic denial of the report that blindness in one eye is threatened.

Impaired vision is the price a number of fighters have paid for their purses. Old Sam Langford was one of the pitiful examples. John Henry Lewis is a more recent case. It would be a tragic thing if Tony's bluster and courage were to carry him into perpetual darkness—but the return he would get from another fight with the champion would be more than the average court would award an accident victim for the loss of an eye.

Joe Devine, Yankee scout who became famous by touting Joe DiMaggio when other major league clubs were passing him up because of a trick knee, is having a lot of fun at the World Series conclaves telling how "Beans" Reardon broke in as an umpire.

Devine was manager of a team at Calgary several years ago and suddenly was summoned to the door of his hotel room by a loud rapping. There a 135-pound, 21-year-old youngster took an oratorical stance and declared: "Mr. Devine, I am John Reardon and I am going to umpire your game today. I just want you to know that I am going to call them as I see them and you better attend to your own knitting or else I'll throw you out of the game."

Devine says it is the only time he was ever ordered out of a game before it started.

Reardon, of course, is one of the four arbiters working the series. He also is a former member of Cincinnati Reds of several years ago.

Being a bat boy for New York Yankees sounds like a good job: Tim Sullivan, at 20, has been picking them up for four years and has been voted a \$1,000 cut in four world series in addition to his salary.

The last shutout in a world series was pitched by Lorne Warneke of Chicago Cubs against Detroit in the 1935 opener. The Reds have scored in the first inning 46 times this season and gone on to win 38 of the games. Paul Derringer opened the 1931 series for the Cardinals against Philadelphia Athletics and struck out about nine of the first dozen men who faced him. But he missed Al Simmons, who broke up the ball game with a home run. Now the two are teammates with the Reds.

### CUBS BEAT SOX

CHICAGO (AP)—The Chicago Cubs took a thrilling, see-saw battle from their American League neighbors, the White Sox, last night, 10 to 9, in 10 innings before a crowd of 42,767 in the first game of their city championship series.

Victoria College will enjoy a busy year in the sports field, whether or not it finds leagues in which to seek competition, Bill Reid, president of the men's athletic department, announced today.

Highlighting the program for the Craigdarroch boys will be rugby. Present plans call for entry of a squad in the proposed three-team intermediate league. Such a fifteen would be limited to 160 pounds, operating under regulations similar to those in effect last year.

Both men's and women's teams will play basketball, but are inclined to seek a schedule of friendly fixtures in preference to league competition. Definite details along those lines will, however, be left until later in the month.

Considerable attention will be given to swimming, with the school attempting to build up an aquatic team capable of competing with other clubs in the city.

In badminton the College expects to carry on its usual play at the Willows and may perform in one of the lower island divisions if the strength of the club merits such competition.

Grass hockey is again expected to feature the girls' competitive athletics, and matches will be arranged with local and lower island teams.

Organization of the various clubs at Craigdarroch will not be complete until the end of next week, when executives will be elected to take charge of their various specialties.

Prospects for rugby were reported exceptionally bright. Several of last year's players are back at the College, and the calibre of recruits from preparatory schools is reported high.

## One Upset in Tennis Play

BERKELEY, Calif. (AP)—Play in the men's singles event of the 50th Pacific coast annual tennis championships advanced into the quarterfinals here yesterday.

The only upset in the event came when Robert Peacock, member of the University of California tennis team, eliminated Franjo Kukuljevic, Yugoslavia, 6-3, 6-3, 6-4.

Three members of the Australian aggregation survived the third round. Harry Hopman was forced to three sets to beat Danny Roberts, another University of California squad member, 6-1, 3-6, 6-3. Jack Bromwich eliminated Robert Low of Stanford, 6-3, 7-5, and Jack Crawford defeated Vin Amark, San Francisco, 6-3, 8-6.

Charles Hare of England, the only Briton entered in the men's event, defeated J. Cobarrubias, Philippine Island, 6-0, 6-2.

HELEN MOODY PLAYS  
Helen Wills Moody, Berkeley, teamed with Harry Hopman to win their opening round of mixed doubles, defeating Margaret Steel and G. Hippenstiel, Berkeley, 6-0, 1-2.

Pauline Betz, national indoor women's singles champion, teamed with Jane Steton, both of Los Angeles, reached the semifinal round of women's doubles when they defeated Mrs. Nell Brown and Mrs. W. S. Ottinger, San Francisco, 6-3, 3-6, 7-5.

Robert Riggs, Chicago, teamed with Elwood Cooke, Portland, ranking No. 1 team in the men's doubles, domestic seed, advanced to the quarterfinals, winning easily over Hodge Wasson and William Crosby, Oakland, 6-0, 6-3.

Frankie Parker, Los Angeles, and Charles Hare, England, reached the third round, winning over G. Amonette, Berkeley, and William Canning, Alameda, Calif., the hard way, 6-2, 8-10, 6-3. Jack Bromwich and Adrian Quist, Australia, world's champion doubles team, defeated James Hobart and Gerald Johns, Berkeley, 6-1, 6-0, in a second round match.

## Little Series Tied Up Again

ROCHESTER, N.Y. (AP)—Rochester Red Wings squared the Little World Series with Louisville of the American Association by defeating the Colonels 9 to 5 in the sixth game of the series last night. The International Baseball Leaguers staged a seven-run scoring spree in the third inning to clinch the game.

R. H. E.  
Louisville 5 11 4  
Rochester 9 11 1  
Batteries—Parmelee, Flowers, Shaffer and Madjeski; Lyons and Beal.

The clubs now are tied at three games each in best of seven series.

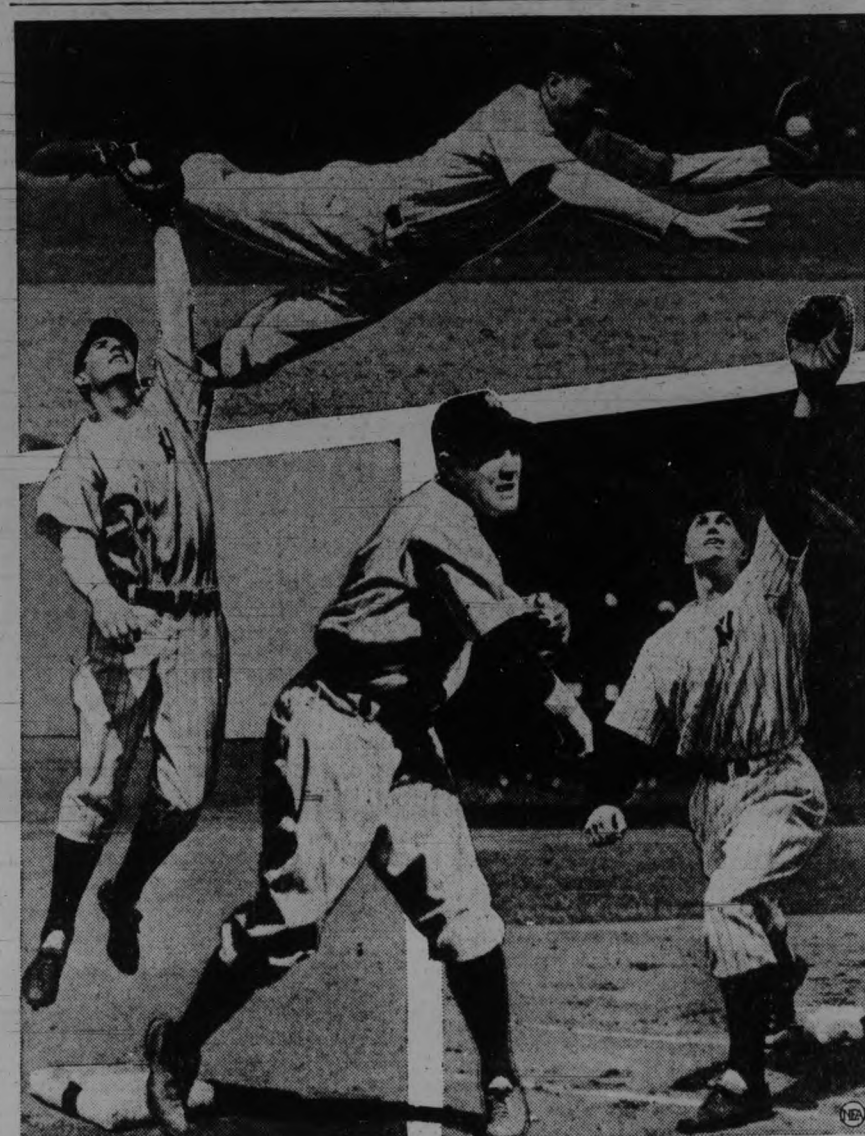

The summit of Mount McKinley, Alaska, is 20,300 feet above sea level.

# Victoria Daily Times

**HARD TO PASS**—One of the determining factors in Yankees' 2 to 1 victory over the Reds in yesterday's World Series opener was the airtight defence provided by the quartette pictured above, the New York infield. In addition to producing three unmatched double plays, two of the men combined to even the score at one all in the fifth inning. Joe Gordon came home on Babe Dahlgren's double. Those in the layout are: Top, Frank Crosetti, shortstop; lower, left to right, Gordon, second base; Red Rolfe, third base, and Dahlgren, first base.

### Basketball

## Grads Win Again

EDMONTON (CP)—Edmonton Grads looked back today on their fifth and final defence this year of the Underwood Women's International Basketball Trophy and looked forward to at least another year of life.

In defeating Wichita (Kansas) Thursdays here last night Grads completed the 53rd defence of the Underwood Trophy they captured on its donation in 1923. Three challenge series were played this spring during which they lost only one game and earlier this fall they defeated Des Moines (Iowa) A.I.B., like Wichita, in three straight games.

On the strength of scoring rallies in the second and fourth quarters, Grads defeated Wichita 44 to 24 in the third game to follow up 47 to 26 and 45 to 30 triumphs in the previous encounters. Grads outscored their opponents 13 to 9 in both the second and fourth quarters, held a 10 to 7 edge in the first stanza but were outpointed 11 to 8 in the third.

PRESENTATIONS MADE  
Presentations were made following the game to two players who are retiring—Captain Noel MacDonald and Guard Mabel Munton—and a new team captain, Etta Dann, was named.

J. Percy Page, coach of the famous quintet which got its beginning at Macdougall Commercial High School here in 1914 and became a "graduate" club the following year, brushed aside possibilities of the team disbanding with an announcement it would carry on for at least another year. Two series against United States teams probably will be played next spring, he said, extending the club's life to 25 years.

A strong defence thrown up throughout the series by Wichita was reflected in Grads accuracy. In the previous round against Des Moines, their shooting averaged better than 45 per cent, but against Wichita it fell to 28.5. Thursdays' accuracy was 20.5 per cent.

## Escobar Loses Nontitle Bout

OAKLAND, Calif.—Tony Olivera, 120, San Francisco, last night outpointed Sixto Escobar, 123, Puerto Rico, world bantam weight champion, in a 10-round nontitle bout. Tuffy Pierpont, 118, Oakland, outpointed Canada Lee, 122, New York, in a six-round preliminary.

# Bays Lead Series On Last Quarter Victory

### Eastern Rugby

## New Power In Queen's Squad

KINGSTON, Ont. (CP)—One of the boys from Syracuse will be trying to make good at Queen's this year and on the record he can't help but succeed. In making his coaching debut with the Tricolor, Frank Tyndall is taking over a team that failed to win once in the Intercollegiate Rugby Football Union last season.

Like Warren Stevens of Toronto Varsity and Lou Hayman of Toronto Argonauts, Tyndall learned his football at Syracuse University, later taking a fresher in the Canadian game with Argonauts.

A year ago the Tricolor lost 12 players and Ted Reeve, now with Montreal Royals, had to depend largely on subs from the previous season and newcomers. The green hands will be few and hardly noticeable on the 1934 lineup.

Jack Brown, regular kicking half, is expected to hold his own with other intercollegiate kickers. Brown spent the summer under Pep Leadley's tutelage and to date looks 100 per cent improved. Leadley, famed dropkicker of other years, is a member of a three-man advisory board to Tyndall. His ex-running mate, Dr. Harry (Red) Batstone and Joe Breen are other members.

### PROMISING SUPPORT

To spell out Brown, Tyndall has Art Walker, Toronto Oakwood Collegiate boy and Bob Davis, out of the game last year through illness. Both are promising.

Capt. Doug Annan likely will do the bulk of the plunging from the backfield. Phil Grandjean, a junior stand-out two years ago, Bud Johnston and Joe Hoba, round out the back division. If Ford (Mike) Loucks' injured knee mends, the Peterborough boy will add strength to the club.

Art Stollery's graduation left a gap at quarterback which Pete Marshall and Bob Simpson are endeavoring to fill.

On the line coach Tyndall has an array of veterans and tyros whose worth will be determined only by actual warfare. Mike Chepesuk, Howie Barends, Irwin Bean, Al Clarke and Frank Barker are on hand from last year. Bill Brass, Harry Jones, Jack Paddon and Jim Connell are newcomers.

George Carson, a veteran of three years intercollegiate competition, is a sure bet for one of the end positions, with Gus Edwards favored as his running mate.

### BOWLERS TO MEET

Members of the Olympic Financial Fivepin League will meet tonight at 8 at the alleys. All last year's players and others interested in joining the loop are invited to attend.

The floor of the Pacific Ocean is, on the average, nearly two and one-half miles deep.

members. In the United States, B.C. and Alaska there were close to 600,000 members.

Bill Pynn, on behalf of the Victoria Baseball Association, spoke briefly on the success of the league this year, financially and otherwise. He congratulated the second division Eagles on winning the championship.

Cecil Heaton, Tom Obee and Arthur Jackson provided entertainment during the evening.

**WHEN TWO-STATE TITLE CHANGED HANDS**—Fred Apostoli crouched, looking for a crack at Ceferino Garcia's jaw, as the cameraman snapped this picture in the early rounds of the middleweight bout which left the San Francisco bellhop without his claim to the California-New York world's championship

## ANOTHER PATRICK ON HOCKEY TRAIL

VANCOUVER (CP)—Joe Patrick, 22-year-old son of Frank Patrick, former president of the Western Hockey League and manager of the Boston Bruins, National Hockey League club, and Muzz Patrick, defence ace of the New York Rangers, are en route to Winnipeg where the former will attend the Rangers' hockey school.

The two left here by automobile Tuesday accompanied by Austin Cullen, 19-year-old Victoria athlete.

Joe Patrick was a star left winger and centre ice player with Harvard University in the eastern collegiate loop last year and was awarded the Memorial Cup for all-around hockey ability at Harvard. He graduated from the University last spring and has spent the summer with his father here.

Muzz Patrick has been doing bicycle training in Victoria during the summer and now weighs 219 pounds, seven pounds more than he did last winter.

## Yanks Smug At Opener

NEW YORK (AP)—The less serious side of the world series: As far as the Yankees were concerned, there wasn't anything wrong with the picture for the first game—except the clock on the scoreboard. It was six minutes fast.

Typical picture: The Yanks in their dugout sitting complacently back, taking things easy. The Reds on their feet hollering at their mates and heckling the Yanks.

The hot dog man wouldn't even guess how many "franks" he and his staff of 500 would sell. The bleacherites had a busy day. They fired a firecracker fusillade, hooted, howled and heckled. The box seat holders, somewhat better dressed, were quieter and seemed a trifle bored. The difference, no doubt, between \$1.10 and \$16.50.

### DATES AND STATISTICS

(Second game today at New York; third, fourth and fifth games at Cincinnati; Saturday, Sunday and Monday, October 7, 8 and 9; sixth and seventh games at New York, Wednesday and Thursday, October 11 and 12).

First game attendance and financial figures:  
Attendance 58,541.  
Receipts \$219,041.  
Players' pool \$111,710.91.  
Commissioner's share \$32,856.15.  
Clubs' and leagues' share \$74,473.94.

## Want 'Feathers' To Fight Again

WASHINGTON (AP)—The executive committee of the National Boxing Association unanimously recommended yesterday that last week's disputed featherweight title fight between Joey Archibald of Pawcett, R.I., and Harry Jeffra, Baltimore, be refought within 30 days.

Archibald, the champion, was awarded a decision over Jeffra at the conclusion of their 15-round match. One judge gave the fight to Jeffra. The other judge and Referee Benny Leonard voted for Archibald.

The United States paid more for the Virgin Islands—\$25,000, 000—than it paid for Alaska—\$7,200,000.

## Come From Behind To Beat Alerts

A driving last quarter rally carried James Bay through to a 14 to 12 victory over Alert Service in the third game of the city senior box-lacrosse play-offs at the Willows last night after the Alerts had dominated scoring and floor play for three keenly contested opening periods.

Starting the last frame one goal down, the Bays poured in four tallies to their opponents' two, moved one game up in the best of seven series and prepared to rest until tomorrow night's fourth encounter. Alerts must win to stay in the running.

It was the finest game seen in the series so far with clean shooting, clever combination plays and tricky defensive work by both teams. Few penalties were called.

The Alerts went into the game with grand splash. They scored four goals during the first session while holding the Bays at a standstill. Young Wally Williams sank two of the goals with Buzz Brown and Eric Holyoak scoring one apiece.

The second quarter saw the Bays go to work and make it 4 to 4 during the opening minutes of play. McCorkall scored the opener and Jack Sargent made it 4 to 2 on a long shot. Bob Wallace crossed alone for the third Bays' goal and Mason scored the equalizer.

### HOLD-LEAD

The service boys scored two more and the Bays chalked up one to make it 7 to 5 when the half time horn sounded.

With five minutes to go in the third period, the Bays tied the score for the second time of the game, at 9 to 9 with Wallace going through the whole opposing team by himself. Bray put his team ahead for the first time in the game when he sank a long shot. Norm Coates brought the Alerts back on an even scale with the Bays and Wally Williams put them out in the lead again at 11 to 10 as the quarter ended.

With four minutes to go in the game the Bays started easing into the top place. Doherty tied the score at 12 to 12, and Wallace scored from in front of the goal to put them ahead 13 to 12. They held the Alerts on the spot. Wallace scored the final marker.

Wallace led his team in scoring with four goals, while Williams scored seven goals for the Alerts. Popham and Ross refereed.

In the preliminary fixtures, Foul Bay nosed out Oaklands, 8 to 7. The midgets turned in a good all-round exhibition and the crowd thoroughly enjoyed the play.

Chunggranes was high scorer of the game with four goals for the Foul Bay team, while Hampton and Brown scored two apiece for the Oaklands squad.

### ATHLETICS ROLL ON

MEDICINE HAT, Alta (CP)—Only one hurdle remained today before St. Catharines Athletics in their quest for a second straight Canadian Senior Lacrosse championship—New Westminster Adanacs, British Columbia champions.

The Ontario squad, rolling west as they defend the title won last year, had only a brick workout as they knocked off Medicine Hat Badmen, Alberta champions, 32 to 8 here last night in the play-off's sudden-death semifinal.

St. Catharines will meet New Westminster in a three of five final series beginning at Vancouver tomorrow. The second game will be played at New Westminster, Monday, and the third at the same city Wednesday. If further games are necessary they will be played at Vancouver, October 13, and New Westminster, October 15.

The 1938 Canadian champions trampled the Badmen for a 10 to 1 lead in the first quarter last night and continued the fast pace to a lead of 19 to 4 at half time. Athletics' scoring spurge was throttled somewhat in the third quarter, and the eastern champions led 25 to 6 going into the final quarter.

Approximately 1,100 rabid lacrosse fans enjoyed a classy exhibition by the 1938 Dominion titlists.

A heavy team, the eastern champions impressed the fans with their stonewall defence, all-around playing ability and stinging shots. Bill Whittaker was outstanding among the team of stars, his performance in goal making the crowd gasp.

### BADMINTON MEETING

The lower Vancouver Island Badminton League will hold its annual meeting at the Y.M.C.A. next Tuesday evening at 8. Reports will be submitted on last year's activities and plans laid for the coming season.

### Men's Club Formed At Cedar Hill

A men's club to fill a social, educational, and active need in the Cedar Hill district was formed when the men of St. Luke's decided at a meeting to

promote such an organization, open to all men within the Cedar Hill district. The program will include a speaker every month to address the club on items of interest, as well as a weekly get-together with social activities. Norman C. Bell was elected president, and A. Edmonds secretary.

On Wednesday evening, October 11, the Dean of Columbia, Dean Elliot, will be the first guest speaker, and has chosen as his subject: "Tragedy." This meeting will be open to all men of the Cedar Hill district, their wives and friends.

The object of the club is an endeavor to bring a social fellowship into existence in the district and to offer every sphere of activity in a difficult time. An opportunity to enroll will be accorded all those men attending the next meeting.

In British India there is one telephone to approximately 5,000 people.

### Seeks to Prevent Big Accident Toll

In an attempt to prevent a heavy toll of fall and winter accidents, Chief of Police John A. McLellan this week issued an appeal to Victoria motorists and pedestrians for co-operation by adhering to traffic regulations and added advice on ways to avert mishaps.

With the approach of long winter nights and inclement weather, the chief urges motorists to see that car lighting systems are in perfect working order; brakes ready for any emergency; tires equipped with good treads to prevent dangerous skidding on wet pavements, and windshield wipers operating effectively to provide clear vision.

To further insure safety of life and limb, Chief McLellan suggested cyclists and motorcyclists attend to the matter of equipping machines with adequate headlights and rear reflectors or tail-lights.

The regulations called for motorists to turn on lights half an hour after sundown and keep them burning when in operation until half an hour before sunrise. The chief constable said no motorist should drive with one headlight only.

### CHILDREN'S SAFETY

He stressed the point about safety of children, repeating past warnings that motorists must slow down to 15 miles an hour between 8 in the morning to 5 in the evening when passing through school zones. The zones were plainly marked in the city.

In regard to night parking, Chief McLellan pointed out that it had been prohibited in the business section for a number of years to allow free passage of the mechanical sweeper. All-night parking was also prohibited in the residential districts. For those whose business brought them to town late at night or early in the morning there was a special section marked off by yellow lines in the middle of Yates Street, between Douglas and Blanshard Streets, where they could park their cars.

Referring to the speed limit, the chief said a clear stretch of road with no traffic in sight did not entitle motorists to exceed the 30-mile-an-hour speed limit. Motorists could be summoned for dangerous driving even if they were not exceeding the speed limit, the chief warned.

### HEED STOP SIGNS

He urges motorists, pedestrians, cyclists and motorcyclists to heed the stop signs. "They were placed there for their own protection," Chief McLellan said. Pedestrians had the right-of-way at every intersection, whether the intersection was equipped with traffic lights or not. But they should not take advantage of this and deliberately try to block passage of automobiles. Pedestrians should not cross an intersection outside the yellow lines. They shouldn't step out behind parked cars.

Double-parking was a menace to street traffic. This offence carried a usual penalty of \$2.50. The chief said his force was endeavoring to stamp out this practice.

On the subject of parking during business hours, Chief McLellan said he believed those who stayed over the hour limit prevented many customers from entering stores to make purchases. In certain downtown areas there was a 60-minute limit. Fifty per cent of the parking space in the business district was taken up by business men. This left only a limited amount of space for shoppers with cars, and left the shoppers to make the choice of being prosecuted for double-parking or of driving on to another store where congestion was lighter.

Continuing, the chief pointed out that on streets where parallel parking was permitted, motorists must park their machines within 12 inches of the curb. They must not park over a property line.

### PEDESTRIANS ADVISED

Pedestrians waiting for the lights to change should not move until traffic signals ring. As further precaution against possibility of accident they should look to right and left before crossing any street. Persons carrying white walking sticks were either semi or totally blind. Great care was advised by the chief constable in keeping a lookout for those persons.

Proper hand signals by motorists were essential in the chief's opinion. He said the way some motorists carelessly waved their arms from the car window made things confusing. Often this was the cause of serious accidents.

### Ferguson Favors Full Conscription

TORONTO (CP)—Hon. G. Howard Ferguson, former Canadian High Commissioner in London, urged in an address before a Toronto service club immediate and universal conscription of manpower and wealth.

"Once distance was Canada's protection—we had time to get ready or hide before the enemy arrived," he said, "but modern

science has deprived us of that defence. That is why I am in favor of conscription.

"Not only men but every single dollar's worth of wealth in this country should be subject to government direction—subject at any rate to the direction of some body created by the government to see nobody escapes his just responsibility."

As a rule, larger cows produce more butterfat.

Berlin that the Kaiser has promised to confer the special decoration of the second class of the order of the Red Eagle on the first German aviator who succeeds in dropping explosives on London.

SEATTLE — Attributing negligence to each vessel and refusing to fix responsibility upon either as against the other, United States steamboat inspectors B. B. Whitney and R. A. Turner on Saturday

made public their findings resulting from an investigation of the causes of the collision between the steamer Admiral Sampson and the steamer Princess Victoria, in which the former was sunk off Point No Point on August 26.

### Infection Through Eyes

WASHINGTON (AP) — Infantile paralysis may be acquired through the eyes. Two scientists

of Johns Hopkins University, Baltimore, report in the Scientific Monthly, journal of the American Association for the Advancement of Science, that they have been able to infect monkeys with the virus which causes poliomyelitis by dropping it in the eyes.

The eardrum has only traces of outer ears; and other seals have none—merely holes leading into inner ear passages.

protection—we had time to get ready or hide before the enemy arrived," he said, "but modern

## TOWN TOPICS

Technocracy Inc. will hold a public lecture tonight at 8 at 221-23 Pemberton Building.

The B.C. forest branch reported today the total of forest fires up to September 30 was 1,677, compared with 2,344 for the same period last year and 1,160 in 1937.

A jar containing money, an unknown amount, was taken from the Metropolitan Church Sunday school room at approximately 4:30 yesterday afternoon. The jar was taken from a small desk which was broken into.

Bank clearings in Victoria for the week ending today were \$2,142,387 according to figures released by the Victoria Clearing House. Clearings for the corresponding week last year were \$2,267,132.

The government today granted a herring reduction license to the Shingle Bay Packing Co. on North Pender Island, and a herring dry saltery license to the B.C. Fish Salteries Ltd. at Otter Bay, North Galiano Island.

The appeal of Peter Chesworth against Mr. Justice Manson's Supreme Court judgment favoring the Canadian Northern Pacific Railway Co. in the case arising from the Colwood level crossing accident in which Mrs. Peter Chesworth lost her life, continued before the Court of Appeal today.

Blue Line Transportation Company's garage at Yates and Vancouver Street was broken into and cash taken from fare boxes in three buses last night, city police were informed. Entrance was made by forcing a small door leading from Vancouver Street. Fingerprints are being sought on the fare boxes.

Mrs. Nellie O'Brien, 711 Front Street, suffered a shaking up this morning when she was knocked down by a bicycle ridden by James Waddell, Cadboro Bay, P.O. The accident took place at Douglas and Pandora. Mrs. O'Brien was taken to the police station, where Dr. G. Hall attended her. He ordered her taken to the hospital.

About 800 members of the Dominion Association of Chartered Accountants have sent in questionnaires giving their qualifications and experience and other information useful to the government, in anticipation of a national emergency. According to Kenneth W. Dalglish, Montreal, president of the association, these forms have been sent to the Department of Finance at Ottawa.

The overseas record committee of the Canadian Red Cross is desirous of obtaining a complete record of resident Canadians who have enlisted in the British or Allied forces. This does not apply to enlistments in the Canadian forces. The purpose of this record is not only to keep in touch with the overseas man himself, so that he may benefit from Red Cross service from time to time, but also to inform dependents left in this country, particularly in Victoria and district, of his whereabouts, and to be able to give assistance to such dependents, if required. This is an entirely new service of Red Cross and the information gathered will be of much value to those concerned. Registration cards may be obtained from Red Cross Headquarters, 317 Belmont Building, Phone G 3816, or mailed on receipt of application.

## Winter Travel Here Campaign

An intensified campaign to bring Canadian travel, particularly eastern, to Victoria this winter, has been started by the Canadian Pacific Railways.

Mrs. Gwen Cash of Victoria and H. T. Coleman of Vancouver, press representatives of the C.P.R., conferred with Frank Giolma, acting director of the Victoria and Island Publicity Bureau during the absence of George I. Warren, this morning. Plans of publicizing the attractions of the city were discussed. The reason for the drive to make Victoria "the central point" of Canadian travel routes this winter is a result of the conditions outside the country at the present time, Mr. Coleman explained.

War conditions will limit world cruises and travel in Europe and the rate of exchange on Canadian and United States currency, will hamper travel to the south. Special travel rates will not doubt be offered by the C.P.R., according to Mr. Coleman.

## WAR MAY HELP TOURIST TRADE

War should be a boon to British Columbia's tourist industry in the opinion of Hon. W. J. Asselstine, Minister of Trade and Industry. Mr. Asselstine predicts a great influx of U.S. visitors next year for two reasons, first because with present exchange rates Americans can get more for their money in B.C. secondly because they cannot go to Europe next year and will look north for their vacations.

The minister said the government's big tourist publicity campaign, including the San Francisco fair exhibit, should therefore reap a great harvest next year.

Final cost of the exhibit at San Francisco was reported to the minister today as \$61,712, against an original estimate of \$75,000. On the latest figure it is estimated that 17 persons saw the exhibit for every dollar spent.

## EGG PRICES DROP

Egg prices dropped two cents on a dozen in Victoria today, according to William Hagger, Dominion egg inspector.

Wholesalers are charging 35 cents a dozen for grade A large, a decrease of two cents and 33 cents for grade A medium, also two cents lower.

Prices to producers dropped similar amounts to 31 cents for grade A large and 29 cents for grade A medium.

A stimulation in consumption is expected as a result of the surplus at the present time. The production during the past few weeks has been heavy due to the mild weather.

## Government Building For Pouce Coupe

Contract for the construction of a 25-room B.C. government building at Pouce Coupe has been awarded to Marwell Construction Co. Ltd. at a figure of \$36,971, the public works department announced today.

The department said the Marwell Company were low bidders for a building constructed entirely of fir.

Yesterday, after bids were opened it was announced Bennett & White Construction Co., as low bidders, would get the contract but it was subsequently found this company's bid covered construction of local spruce. A fir building is called for in specifications.

Harvest services will open at St. Alban's Anglican Church, corner of Ryan and Belmont, at 8 this evening, when Dean Spencer H. Elliott will speak.

The Tuberculous Veterans Post No. 18, of the Canadian Legion B.E.S.L. will hold a general meeting on Tuesday evening, October 10, at 8.

Rev. A. D. Archibald of White Rock, grand master of the Grand Orange Lodge of B.C. and Deputy G.M. J. P. Dickson of Victoria will pay fraternal visits to the local Orange lodges within the next few days. They will visit Saanichton lodge on Saturday night. A joint meeting of the three Victoria lodges will be held in the Orange hall next Tuesday.

James Bay Parent-Teacher Association held a successful parent and teacher tea yesterday afternoon in the South Park School. Mrs. E. G. Day, the president, was assisted by Mrs. A. Whyte in receiving the guests. One teacher from each grade presided at the prettily-decorated tables and received the mothers and children of that particular grade. A short program included tap dance by Muriel Cox; novelty dance by June Clarke and Muriel Eastwood; song by Phyllis Hudson, and piano solo by Dorothy Jackson.

## Sombre House Opening

Much of the pomp and ceremony and the glittering military uniforms which lend color to the opening of the Legislature will be dispensed with when the House opens October 31, it is expected at the Legislative Buildings. A sombre wartime atmosphere will mark the official procedure.

Arrangements for the opening are now being discussed and will be announced shortly, but it is generally believed that the plan will be to dispense with unnecessary show.

Lieutenant-Governor E. W. Hamber will probably leave his Windsor uniform at Government House and go down to the Legislative Chamber in morning clothes to read the Speech from the Throne.

While he may be accompanied by a small group of officers they will be in service dress instead of the usual brilliant scarlet and gold uniforms.

Even the salute of cannon may be eliminated, because, as one official put it, the powder that is usually blown across the harbor can be put to better use at the front.

Social activities which revolve around the session will be curtailed to a minimum, it is expected. Cancellation of the state ball on the night of the opening is already being considered, and other functions are expected to be likewise eliminated.

## MUST AID FAMILY OR GO TO JAIL

"I was promised unconditional release by my wife after the baby was born," said a man who appeared on a charge of family neglect in City Police Court today before Magistrate Henry Hall.

That was his answer when asked why he refused to support his family.

His wife testified her husband had refused to support her and her child since the baby was born four years ago. During that time she had received only \$9 from him. She had managed to keep herself and her baby through city relief. Her husband had lived with her at times, but paid no board.

On further questioning by the magistrate the husband asked His Honor if he could suggest a more remunerative position. He said he was employed at present and was receiving \$38.40 a month, all found.

The magistrate said he figured that the defendant should be able to find a better position. The husband said that he had arthritis and was unable to do heavy work, whereupon the magistrate said that some good heavy work would probably do him a lot of good.

He ordered the husband to pay \$6 each week.

"And the alternative?" questioned the husband.

"Jail," said Magistrate Hall.

## Visits England To Scatter Ashes

LONDON—A Welsh woman has recently completed a 3,500-mile pilgrimage from Canada to Pembroke to scatter the ashes of her pet dog on the fields where it played as a puppy.

She is Mrs. Roeltoine, who left her native Pembroke village nine years ago for Canada, taking with her, Phil, her sheep-dog.

Setting at Esquimalt on Vancouver Island, she met and married F. Roeltoine, a retired official of the Canadian Pacific Railway.

First her husband died; then Phil died.

Mrs. Roeltoine, accompanied by a priest, Father Leon, arrived in Wales carrying the remains of her dog in a silver urn.

Near Narbeth she scattered the ashes while Father Leon sprinkled holy water.

A few hours later she took a train on the first stage of her journey home.

## TOASTMASTERS IN ANNUAL MEETING

The Victoria Toastmasters' Club in its annual meeting last evening in the Y.M.C.A., elected J. B. Clearhue, K.C., president for the ensuing year.

Other officers elected were: L. Cox, vice-president; N. Napier, secretary-treasurer; A. McDermid, sergeant-at-arms; Alex McCabe, deputy district governor.

The retiring officers were given a vote of thanks for their work during the past year.

It was reported that there was every prospect that the club would fill its membership quota. The international by-laws allow the local club 30 members.

Harold Hinton acted as chairman for the evening after being introduced by W. Clark. A McDermid acted as general critic and Alex McCabe led the current topic discussion.

Five minute speeches were given by Mr. Clearhue, J. F. Paulding, E. C. Manning, Martin Bootsell, George Melrose and J. H. Hill.

It was announced that the club would meet every Wednesday evening at 6:15 in the Y.M.C.A. dining hall.

**Grieve Released On \$500 Bail**

Posting bail of \$500, Charles Alvin Grieve, charged with manslaughter in connection with the hunting accident death of David George Lord, was released on his own recognizances by Magistrate Henry Hall in Provincial Police Court this morning. He will appear on October 11 at 2 when the case will be remanded until October 18.

**No Q-Boats Operate**

LONDON (CP)—Naval circles today denied German reports that British merchant ships or Q-boats had attacked Nazi submarines. The navy, it was stated, had no Q-boats operating. The only guns put on merchant ships were defensive weapons.

## Princess Pats Up to Strength

With the exception of a few vacancies being reserved for men with extra qualifications the Princess Pats are now up to full strength, Major J. N. Edgar, M.C., the officer in charge, announced today.

The major said he was more than satisfied with the type of men who have joined up in good numbers in the last few days.

"On paper the P.C.L.I. are now an accomplished establishment," the major said. "We are making good progress with our training."

Out at Otter Point the Canadian Scottish unit is rapidly being whipped into shape.

And they had none of the discomforts of tent life during yesterday's rain. All the men are housed in huts left by the government's work crews who occupied them as relief men.

Demonstrations of field work are engaging the Scottish today as training is intensified.

## CONCERT FOR BOYS

Tuesday night the troops voted deepest appreciation to a number of Victoria artists who made the trip out to the camp to present a concert. Ranks gathered in the main hall to hear various novelty turns, singing and stunts. Yorkie the ventriloquist, Charlie Hunt, Harry Holder and a number of other artists contributed.

The Scottish are now in the throes of editorial composition for the first issue of the "New Brazier," which goes to press today. This is a battalion paper revived from Great War days when as the "Brazier" it was published overseas by the 16th Battalion Canadian Scottish. The new unit is maintaining the tradition and perpetuating the name.

## ELECTRICAL MEN OPEN CONVENTION

First executive session of the Pacific division of the National Electrical Wholesalers' Association opened this afternoon at the Empress Hotel with Fred C. Todt of Beverly Hills presiding.

Some 75 delegates and their wives are here from California, Utah, Idaho, Oregon and Washington for the conference which will continue until Saturday.

J. P. Carson is chairman of the program committee and M. H. Jankelson is in charge of entertainment. Problems relating to wholesale electrical industry will be discussed at open meetings scheduled tomorrow and Saturday forenoons.

Questions to come before the convention for discussion will include demands made upon the electrical industry by increased taxation and the methods to be adopted in meeting it; co-operation of wholesalers and public utility organizations and the solution of problems affecting the public and the industry.

Tonight there will be a "stag" party. Tomorrow afternoon and Saturday the association's golf tournament will be played over the Royal Colwood golf course.

The electrical men will compete for the "Copper Cup," which was first put up for competition at Del Monte, Calif., in 1908, and the Manufacturers' Cup, open to all representatives of the manufacturing industry, and the Central Stores trophy.

The golf prizes will be presented at a banquet to be held at the hotel Saturday night.

The ladies of the convention will be entertained at a separate banquet on Saturday, preceded by golf and social functions.

**Strengthens Gains**

PARIS (AP)—The French army was reported today to have strengthened its positions so greatly by recent gains on the northwestern end of the front facing Germany as to minimize the danger of any attempt to turn its left flank by a thrust through neutral Luxembourg.

Military advisers said the French army was in full possession of the Borg Forest after a brief, close-range battle between French and German tanks.

The forest is in the strategic sector between the Moselle and Saar Rivers just east of Luxembourg.

**Would End Communist Party in Canada**

HAMILTON, Ont. (CP)—Hamilton District Trades and Labor Council has written a letter to Defence Minister Norman Rogers urging dissolution of the Communist Party in Canada, it was disclosed today by W. L. O'Brien, secretary of the council.

Basis for the request is that a threat of sabotage exists since the alignment of Soviet Russia with Nazi Germany.

**No Q-Boats Operate**

LONDON (CP)—Naval circles today denied German reports that British merchant ships or Q-boats had attacked Nazi submarines. The navy, it was stated, had no Q-boats operating. The only guns put on merchant ships were defensive weapons.

Final plans were discussed for the Halloween dance to be held on Friday, October 27, from 9 to 12 in the auditorium.

The meeting closed with refreshments.

Diamonds will burn if heated to about 800 degrees centigrade in air.

## Obituaries

**HENRY**—William Mitchell Henry of Vancouver died this morning at the Royal Jubilee Hospital, aged 17½ years. He was born in Victoria, and is survived by his parents, two brothers and one sister, at the family home, 2741 West Third Avenue, Vancouver. Funeral services will be held at Hayward's B.C. Funeral Chapel on Saturday afternoon at 2, followed by interment in Royal Oak Burial Park.

**STANTON**—Funeral services were held yesterday afternoon at the Salvation Army Citadel for Frederick John Stanton, Adjutant Charles Watt conducted the service, assisted by Major William O. Donald, Adjutant C. Milley, Adjutant J. Habkirk, Adjutant Mrs. Watt, Bros. F. Ramsdale, E. Ealing, Bandmaster M. Chalk and the Salvation Army Band. Interment was in the family plot at Ross Bay Cemetery, with the following comrades as pallbearers: M. Chalk, F. Woods, H. Daniels, R. Paribby, H. Pearce and E. Ealing. The honorary pallbearers were: F. Ivings, F. Ramsdale, A. Martin, J. Radcliffe and W. Crossman.

**ANDERSON**—Funeral services for Howard Alvin Anderson took place yesterday afternoon at Sands Mortuary Limited. Rev. H. A. McLeod conducted the service. The following acted as pallbearers: J. Cook, F. Barclay, C. Adams, A. Campbell, E. Gilroy and J. Richardson. The remains were laid at rest in Royal Oak Burial Park.

**McGEORGE**—Funeral services for Mrs. Mary McGeorge, 164 Cambridge Street, were held yesterday afternoon in the S. J. Curry & Son Funeral Home. Rev. J. Lewis W. McLean officiated. Jim and Jack Skellern, grandsons, and Art Chapman, Tom Keachie, Jack Keating and Don Kerr, all favored visitors of the deceased, acted as pallbearers. Interment was in Colwood Burial Park.

**STEWART**—The funeral of Mrs. Frances Jane Stewart will take place tomorrow afternoon at 2 in Sands Mortuary Chapel, Rev. J. L. W. McLean will officiate and interment will be in Ross Bay Cemetery.

**HAYWOOD**—Yesterday afternoon funeral services were conducted for Meakin Haywood, Rev. P. C. Hayman officiated. Mr. McDonald, president of the Victoria Bowling Club, attended, and the following members acted as pallbearers: Geo. Raby, W. J. MacAllan, F. R. Exham, S. B. Yates, E. G. Mason and D. Dewar. Cremation was at the Royal Oak Crematorium. S. J. Curry and Son had charge of arrangements.

## LABOR COUNCIL REAFFIRMS STAND

The Victoria and District Trades and Labor Council last evening reaffirmed its opposition to a system whereby employees in civil or civic services, who join the army, are given supplementary pay to make up the difference between the regular army allowance and that which they earned in civil employment.

A recommendation was endorsed for a campaign to sign up new members for unions and to organize new locals in the Greater Victoria area.

E. F. Fox, president of the council, was in the chair. He led a discussion against the employment of women at the City Hall at lower salary rates than the men they replaced had received.

A number of women had been employed to fill the places left vacant through army service, it was reported.

**Architects Honor Lieutenant-Governor**

At a ceremony in Vancouver tonight Lieutenant-Governor E. W. Hamber will be made an honorary member of the Architectural Institute of British Columbia.

A framed diploma will be presented His Honor by W. F. Gardiner, president of the institute.

The membership automatically makes His Honor an honorary member of the Royal Architectural Institute of Canada, which is affiliated with the Royal Institute of British Architects.

**MONTREAL (CP)**—Music certificates for examinations held last spring were awarded last night by the McGill Conservatorium of Music. Certificates for the newly-inaugurated diploma for associate in music (performers' class) were awarded to Norman Green, Fernie, B.C., and Lois A. Hamblett, Victoria, B.C., (with distinction).

Certificates for distinction in piano were presented to Gay Reed, Fernie, B.C., highest in the Dominion in the elementary grade, and Gertrude Ward, Fernie, B.C., and Barbara Grant, Victoria, B.C., equal for first place in the Dominion in the primary grade.

**Three motorists were ordered to pay fines of \$10 each for exceeding the speed limit, by Magistrate Henry Hall in city police court this morning. A motorcyclist was fined \$5 for not having a muffler on his exhaust; two paid \$2.50 for over-parking; two the same sum for night parking; two \$2.50 for having no tail-lights on their cars, and one \$2.50 for parking more than 12 inches from the curb.**

## EQUESTRIANS TO STAGE JAMBOREE

Equestrians of Victoria, preparing for a horse show to raise funds for the local Red Cross, will hold a jamboree tomorrow night at the Willows Horse Show Building.

A program of five novelty events, including potato, thread the needle, reveille and apple and basket races as well as musical chairs, will provide adequate entertainment for performers and spectators alike.

In addition to members of the Victoria Riding Club, sponsors of the event, outside riders may also compete. Horses will be available at the building.

K. Denniston and G. Harris are stewards. The show, which will be open to the public, will start at 7:45.

## GERMANS ORDERED TO REGISTER HERE

Registration of German citizens is demanded in a notice received at Royal Canadian Mounted Police headquarters in Victoria today. The notice, signed by S. T. Wood, registrar-general of enemy aliens, reads: "All persons over the age of 16 years of German nationality or born in territories which were under the sovereignty or control of the German Reich on the 3rd of September, 1939, who are not naturalized British subjects, are by law required to report for registration at the office of the Registrar of Enemy Aliens nearest to which they reside, accompanied, where necessary by an interpreter. In Victoria the office of the registrar is at Room 303 Central Building, 620 View Street. There will also probably be offices for registration at Nanaimo, Duncan, Alberni and Campbell River."

## Mrs. Noel Money, Qualicum, Passes

QUALICUM BEACH, B.C.—Mrs. Maude Boileau Money, 72, wife of Brigadier-General Noel Money, died at her home, "Honne House," here last night. She was born in England, the daughter of Edward Wood of Culmington Manor, Shropshire, and came to this province 26 years ago. Besides her widower, she is survived by one son, Gordon, of Vancouver, and one daughter, Mrs. A. Denny, of Qualicum.

Burial will be made in the family plot here Friday afternoon.

**VANCOUVER (CP)**—Robert W. Taylor of Victoria has passed examinations before the British Columbia board of optometry, William E. Knowlton, board secretary, announced today.

Knowlton also announced that Lawrence W. Smith of Vancouver has been appointed to a vacancy on the examination board.

A meeting of Wards 1 and 3 Saanich Liberals will be held Friday evening at St. Aidan's Hall at 8. Norman Whittaker, M.P.P., and Alan Chambers will speak.

**Three motorists were ordered to pay fines of \$10 each for exceeding the speed limit, by Magistrate Henry Hall in city police court this morning. A motorcyclist was fined \$5 for not having a muffler on his exhaust; two paid \$2.50 for over-parking; two the same sum for night parking; two \$2.50 for having no tail-lights on their cars, and one \$2.50 for parking more than 12 inches from the curb.**

The brightest stars have indi-  
vidual names in addition to con-  
stellation names. The principal  
star of a constellation is called  
Alpha, the next Beta, and so on,  
in the order of the Greek alpha-  
bet.

**Good Way to**  
**Treat Piles**

Most pile sufferers seem to think that  
their trouble is just a local condition.  
This is only partly true. Dr. Leonard,  
after years of study, learned one great  
aggravating cause of piles was an in-  
ternal congestion, holding back return  
blood flow from the lower bowel, with  
increasing pain and misery.

Dr. Leonard also learned the proper  
way to treat such piles was with an  
internal treatment which would attack  
a cause, that this was the best way to  
get satisfying relief. He worked out his  
prescription, Hem-Roid, with the idea  
that by reaching the cause, more lasting  
benefit and greater freedom from piles  
would be had.

Hem-Roid is an internal treatment.  
Its medication is directed to correcting  
congestion which causes or aggravates  
piles in the majority of cases. Once  
this is done, relief quickly follows.

Hem-Roid is a very effective, easy and  
pleasant way to treat piles. Usually  
definite results will be seen the first  
day. MacFarlane and Cunningham Drug  
Stores or any drugstore can supply you  
and if you are not pleased with the first  
bottle, you may have your money back.  
Try it and prepare yourself for a pleas-  
ant surprise.

**Man About Town**  
**Opens at Oak Bay**

With Jack Benny providing  
comedy, Dorothy Lamour turn-  
ing on the romance, Edward Ar-  
nold in an important role, and  
Binnie Barnes, Phil Harris, Betty  
Grable, "Rochester" and Matty  
Malneck and his orchestra num-  
bered among the supporting cast,  
Paramount's lively comedy with  
music, "Man About Town," opens  
today at the Oak Bay Theatre.

Jack plays the part of a theatrical  
impresario who, while reading a  
show in London, showers atten-  
tion on a lady of the English  
nobility in order to arouse  
jealousy in the heart of a mem-  
ber of his troupe. In addition to  
the big cast and hilarious story  
the picture offers 20 Petty Girls,  
chosen by the famed artist,  
George Petty, to bring his con-  
ception of lovely femininity to the  
screen. Mark Sandrich directed.

**Frontier Story**  
**At Columbia**

Revealing a new side of the  
life of the old west, "The Law  
West of Tombstone," now at the  
Columbia Theatre, presents Harry  
Carey as a two-gun Texan who  
seeks to establish himself as the  
well-meaning dictator of half a  
state.

Backing his boasting and his  
plans with a ready trigger-finger,  
he directs a frontier romance,  
builds up the Arizona community  
in which he has settled, and car-  
ries on a feud with a bandit gang  
which leads to the exciting climax  
of the picture.

Tim Holt, Jean Rouverol, Clar-  
ence Kolb, Evelyn Brent and  
other favorites head the support-  
ing cast of the RKO Radio pro-  
duction.

**Locals Take**  
**Soccer Match**

Wednesday leaguers avenged  
the 1 to 0 defeat inflicted on  
Victoria's midweek soccer forces  
last week when they took the P.  
and O. Line football squad 7 to 0  
in an exhibition at the Athletic  
Park yesterday.

Victoria took an early lead  
when Harry Holness headed in a  
cross from Jimmy Oakman. Ball  
netted another pair during the  
first half to give the locals a 3  
to 0 lead at half time. In the second  
half Oakman and Ball each  
added another and Duncan found  
the range twice.

The visiting players were  
guests of the Britannia Branch,  
Canadian Legion, at a supper in  
Terry's, attended a function at  
the Elks Club and finished the  
evening at the lacrosse game at  
the Willows.

**No War Cabinet Change**

LONDON (CP) — Geoffrey  
Mander, Liberal, complained in  
the House of Commons that six  
of the nine members of the war  
cabinet also had fulltime depart-  
mental jobs.

"Would it not be a smaller  
number with no departmental  
jobs at all?" he asked. Prime  
Minister Chamberlain replied:  
"If I thought so I should have  
done it."

There are about 350,000 Ameri-  
can citizens living outside the  
United States.

**Where to Go Tonight**  
(As Advertised)  
**ATLAS—Andy Hardy Gets**  
Spring Fever," starring  
Mickey Rooney.  
**CAPITOL—"The Old Maid,"**  
starring Bette Davis.  
**COLUMBIA—Harry Carey in**  
"The Law West of Tomb-  
stone."  
**DOMINION—Edith Fellows in**  
"Five Little Peppers."  
**OAK BAY—Jack Benny in**  
"Man About Town."  
**PLAZA—"I Am a Criminal,"**  
starring John Carroll.

**Plaza Screens**  
**"I am a Criminal"**

"I Am a Criminal," now at the  
Plaza Theatre, is John Carroll's  
first opportunity in a straight  
dramatic role. Formerly the in-  
terpreter of dashing costumed  
heroes, Carroll first won screen  
fame because of his glorious sing-  
ing voice, which was heard in "Hi  
Gaucho" and "Rose of the Rio  
Grande." In "I Am a Criminal,"  
he definitely proves that he is an  
excellent actor and does not shed  
his charm with his costumes.

Mary Kornman, "Our Gang's"  
original girl friend, plays her  
first leading adult role in this  
picture, and she shows much  
promise in the role of Alice. Kay  
Linaker is a venomous "Linda,"  
Brad's discarded girl friend, and  
Craig Reynolds is excellent as the  
high-powered press agent.

The "Boys Town" find, Martin  
Spelman, is a hit in "I Am a  
Criminal," his second picture. He is  
10-year-old Bobby, who wins  
Brad's heart and the heart of the  
audience.

**Seventh Hardy**  
**Series at Atlas**

The lucky seventh of the Hardy  
Family series, "Andy Hardy Gets  
Spring Fever," now playing at  
the Atlas Theatre, is proof that  
these pictures and that Metro-  
Goldwyn-Mayer is more than  
keeping up the splendid pace set  
by the preceding productions.

Told entertainingly, the story  
is of how Judge Hardy almost  
faces ruin through being misled  
by crooked promoters and how  
young Andy falls romantically in  
love with his dramatics class  
teacher. The judge finally man-  
ages to regain his money and  
Andy returns to his old sweet-  
heart, Polly Benedict, before the  
last reel is over. The high spot  
of the evening for laughs is the  
high school play in which Andy  
plays the leading role.

**Hollywood Premiere**  
**Brings \$10 a Seat**

HOLLYWOOD, Cal. (AP) —  
Several hundred Hollywoodites,  
who paid \$10 a seat for the privi-  
lege, saw a movie about them-  
selves which does not poke fun at  
them. It sets a precedent.

They agreed that if for no  
reasons other than that "Holly-  
wood Cavalcade" was neither criti-  
cal nor satirical, the admittance  
fee was not too large. But in  
addition they saw a sincerely-told  
story that was entertaining and  
as historically correct as dram-  
atic licence would permit.

It was Hollywood's second \$10  
premiere. The first was "The  
King of Kings," which opened the  
Chinese Theatre in 1927. The  
entire proceeds of this event,  
\$9,000, were given to the motion  
picture relief fund.

This history starts in the early  
days of one-reelers, innovation  
and uncertainty, concluding with  
the dramatic arrival of sound.  
One of its climaxes is Al Jolson's  
"Kol Nidre," which he sang in  
his first talkie, "The Jazz Singer."  
Darryl Zanuck, who produced  
this film, worked for the Warners  
when they staked their all on  
sound and helped to make the  
"novelty" starring Jolson.

Ticks are not insects; they are  
arachnids, a group closely re-  
lated to spiders and differing  
from insects notably in the lack  
of antennae and in having four  
pairs of legs usually instead of  
six.

**'The Wizard of Oz'**  
**Coming to Capitol**

Presenting what is heralded as  
the most ideal combine of color,  
music, dancing, spectacle, pag-  
eantry, laughs and thrills, "The  
Wizard of Oz," filmization of the  
celebrated fantasy by L. Frank  
Baum, comes to the Capitol  
Theatre as the most sensational  
musical treat to come out of the  
annals of Hollywood screen enter-  
tainment.

While natural color has long  
been held to be useful in many  
types of pictures, "The Wizard  
of Oz" is declared the first to  
make use of Technicolor on a  
sound psychological basis.

In the cast are Judy Garland,  
Frank Morgan, Ray Bolger, Bert  
Lahr, Jack Haley, Billie Burke,  
Margaret Hamilton, Charley  
Grapewin, Pat Walshe, Clara  
Blandick, a little dog named Toto  
and 10,000 of the amazing people  
of Oz.

**'Dust My Destiny'**  
**Dominion Show**

"Dust Be My Destiny," hit  
show of the Dominion's fall film  
season, will open on Friday, with  
John Garfield and Priscilla Lane  
in the co-starring roles.

"Dust Be My Destiny," which  
was adapted by Robert Rossen  
from the novel by Jerome Odlum,  
is a straight-from-the-heart tale  
of two young "nobodies" who fall  
in love and marry, and who ask  
nothing of the world except the  
right to earn their living and a  
place to hang their hats. But  
even these simple things are de-  
nied them, because the boy is a  
fugitive from justice, for a mur-  
der which he didn't commit.

Approximately 9,000,000 pieces  
of linen are used annually by  
Pullman car passengers.

## U-Boat Lands Ship Crew Safe At Irish Port

DUBLIN (CP)—Twenty-eight survivors of the 4,990-ton Greek vessel Diamantis, sunk by a German U-boat, were landed by the submarine in broad daylight late yesterday at Dingle, County Kerry.

The landing was effected in a calm, almost nonchalant manner, just as if the U-boat were a ferry arriving from some nearby point with a load of passengers.

The crew of the U-boat waved good-humoredly to people standing on the shore of neutral Elre, and the people waved back cheerfully.

### SIX INJURED

After landing the survivors, six of whom apparently were injured, the U-boat slipped out again to sea.

This latest incident in Germany's submarine war against Great Britain's blockade lasted a matter of minutes. It was the first time since hostilities began that a submarine landed the survivors from a ship it had sunk, although there have been instances in which German submarine commanders directed ships to the rescue of crewmen of torpedoed ships.

The submarine, the U-35, torpedoed the vessel not far from the coast of Cornwall off the Scilly Islands, and took the crew aboard. Members of the crew

said they were treated politely by the submarine captain.

### THREE TORPEDOES

The vessel, listed by Lloyd's as owned by D. J. Pateras of Chios, Greece, was bound from West Africa for Barrow-in-Furness, England. Three torpedoes fired from the submarine Tuesday at 1:30 p.m. sank the ship. Six members of the crew were said to have been treated for injuries suffered in the explosion at a Dingle hospital.

(Dingle is in southwest Elre on Dingle Bay, which opens into the Atlantic. Elre has expressed her determination to remain neutral in the war and under international law belligerent war craft are permitted to enter harbors of neutral countries.)

## Chinese Junk Now Believed in Strait

PORT ANGELES, Wash. (AP)—The United States coastguard cutter Redwing searched Juan de Fuca Strait today for the Chinese junk Tai Ping, unreported survey ship Discoverer went to her aid Tuesday, off Vancouver Island.

The Tai Ping, with five men and a woman aboard, was 105 days out of Shanghai when the Discoverer sighted her distress signal and put water and food aboard. The junk's master, Capt. John Anderson, said they would be able to make Puget Sound in a few days.

A U.S. coastguard plane searched the vicinity off the southern and western shores of Vancouver Island yesterday, but reported it had not sighted the junk. The Redwing left last night.

The Tai Ping's crew gave the Discoverer an almost hysterical greeting Tuesday, "Lieut. Commander C. C. Jones said upon arrival yesterday.

He said the persons aboard the little vessel were amazed to learn where they were, as their only chart was a general one of the North Pacific. They were originally bound for San Francisco.

"They didn't know a war was on in Europe, and on being told, someone shouted, 'we've got a German aboard, he's at the helm!'"

The coastguard cutter was seeking the Tai Ping to render aid if needed.

When the crew of the Discoverer sighted the junk originally they thought it was the long-lost craft in which Richard Halliburton set out from China. Jones said the junk's skipper said they had sailed along with the Halliburton boat out of Shanghai until a typhoon was met, but Anderson said, "Oh, he's lost now." He did not explain why he was sure of Halliburton's fate.

## Around the Docks

### Two Vessels Here For Lumber Cargoes

Taking up her berth at the elevator dock at Ogden Point, British freighter Cape Clear made port early today from Chemainus. The vessel is taking 600,000 feet of lumber here.

St. Devon City, which is berthed on the breakwater side at the Canadian National docks, will be alongside for a couple of days loading 1,000,000 feet.

### Light Changed

Col. A. W. R. Wilby, agent for the Department of Transport, advises mariners that the color of the westerly light on the south side of the channel at the outer entrance to the North Arm, Fraser River, Strait of Georgia, will be changed without further notice from white to green. The characteristic will remain the same.

### Nootka Explosion

Thought 'Sub' Had Bagged Them

So shattering was the force of the explosion aboard Ss. Nootka off Ketchikan September 20, when three crewmen were seriously injured, one of whom subsequently succumbed, that officers thought the ship had been torpedoed by a submarine.

The force of the blast, which was caused by a coal damp explosion in No. 3 hold, was so great that one of the men was blown clean out of the hatch and sections of the hatch covers were later found on deck forward of the bridge.

The Nootka, back from her harrowing trip, was today moored alongside the plant of the Victoria Machinery Depot, where workmen were engaged in removing battered gear and damaged oil tanks.

Boden Storey, Nootka crewman and resident of Sidney, was so badly burned that he died in hospital at Ketchikan three days later.

William Nelson, who was blown out of the hold, and John Sandberg, also injured, are still in hospital at Ketchikan. Wilson, who is reported to be in a critical state, may be flown by plane from Ketchikan to Vancouver, where relatives have made arrangements for treatment at the Vancouver General Hospital. It was stated aboard the Nootka this morning.

It was a miracle that the Nootka was not blown up, according to some members of the crew, for the ship carried a cargo of dynamite and gasoline for Alaska. This dangerous freight, however, was stowed in the forward hatches.

The explosion occurred on the morning of September 20 when the Nootka was 40 minutes out from Ketchikan, bound to Wrangell, Alaska.

Two of the men, Storey and Wilson, had descended into No. 4 hold to clean out the "strom" boxes in the bilges. Sandberg was about to climb over the hatch coaming to follow his companions.

It is believed that the rush of air through the opening in the hatch may have exploded pockets of gas in the coal cargo stored in No. 3 hold immediately adjoining.

Storey, who was below, received the full force of the blast and was terribly burned about the body. Wilson, who was blown out of the hatch, also was badly burned, particularly about the back. Sandberg, who was leaning over the hatch coaming, was burned about the chest and face.

"We thought a submarine had got us," said a Nootka officer. (Reports were current about that time of a foreign submarine having been sighted off the coast between the border of Alaska and British Columbia.) "The ship seemed to be lifted clean out of the water."

Apart from a couple of holes in deck plates, and bent and twisted steel derrick booms, the ship itself was undamaged. Two of the six three-ton tanks, badly dented at the bottom and with piping damaged, are being removed for repair.

Inaugurate a regular weekly air service between California and Australia on the new 8,000-mile airway to New Zealand.

Establish an express air service from Seattle to Fairbanks by next summer to link with the company's present mail route between Nome and Fairbanks, depending on whether government airports are ready and the "post office is interested."

## Wheat

WINNIPEG (CP)—A moderately improved export interest in Canadian wheat provided the only feature of today's session on Winnipeg Grain Exchange as wheat futures prices held firm. Fluctuations were unimportant and values closed 1/2 to 1/4 cent higher, October at 69 1/2, November 71, December 71 1/2 to 71 3/4 and May 78 1/2.

Exporters offered most of the support in the dull pit and their purchases were believed to have represented about 400,000 bushels of overseas business in Canadian wheat.

Apart from a little mill buying in the top northern grades, cash wheat transactions were negligible. Coarse grain trading uncovered a little export buying in oats as well as light purchases of rye against sales at Chicago.

## Old Norse Story Describes Leif's Voyage

Leif, the son of Eric, is known in history as "Leif Erickson." It is almost certain that he led the first party of men to the mainland of North America.

The old Norse stores do not agree on all points of the adventure. One of them says Leif was returning from Norway to Greenland when his ship was blown from its course in a storm. It goes on to relate he reached a place called "Vinland" by accident.

Leif Erickson's ship sailing toward Vinland.

Another account is given like this:

"A Viking named Biarni told about travels on which he had seen lands west of Greenland. People thought he should have learned more about them, since he had been so close.

"There was now much talk about voyages of discovery. Leif, the son of Eric the Red, visited Biarni, and bought a ship from him. Then he gathered a crew of men, and formed a company of 35 persons.

"Leif asked his father to join them, and at last old Eric said he would go. Just before sailing, Eric rode on a pony toward the place of sailing. On the way, the pony stumbled, and the rider was thrown and hurt. He then declared it was not meant that he should go.

"So Leif became the leader. When they were ready they sailed out to sea.

"After a time, they reached a land which had flat rocks all the way from the sea to the ice mountains. A boat was sent ashore, but there was no sign of growing grass. 'I will call this country Helluland,' said Leif.

"Sailing further, they found a second land, with growing trees and broad stretches of white sand. 'This,' said Leif, 'I shall call Markland.'

"Again they sailed toward the southwest, and came to an island. They landed, and looked about them. The weather was fine, and there was dew on the grass. They touched the dew with their hands, and their hands to their mouths, and it seemed no water had ever before tasted so sweet.

"Then they boarded their ship again, and went into a certain sound, which lay between the island and a cape which jutted out from the land on the north."

Tomorrow we shall go on with the Norse story about Leif Erickson, and shall see what it says about Leif's visit to "Vinland."

## HOROSCOPE

Adverse planetary aspects appear to dominate today. Through the busiest hours it is well to be exceedingly cautious and conservative. The early hours are most threatening to persons in authority and cruel criticism of them may be prevalent. Propaganda will poison many minds and change loyalties to government policies.

Heart and Home - Selfishness and egotism will be prevalent under this configuration, which encourages men and women to think first of themselves. Lack of personal responsibility in domestic relations will be evident as children become the victims of their parents' marital rifts. Women today may be unfortunate in many ways, but especially in their love interests. Broken engagements as well as broken homes will be numerous.

Business Affairs - Heavy speculation on the stock exchanges and sharp fluctuations will cause serious losses. The goddess of chance will rule unchecked and gambling will be conducted on a big scale. The new moon of next week presages a fair measure of prosperity. Theatres and all places of amusement will profit.

National Issues - Growth of popularity for a United States presidential possibility who has definite ideas regarding American future policies in the Orient is prognosticated. In view of Saturn's opposition to Venus and Mercury, immorality will increase in coming months. Crimes

# THIS CURIOUS WORLD

By William Ferguson

TWO ANTS WILL FIGHT FOR HOURS... UNTIL ONE OR BOTH SUCCEUMB.

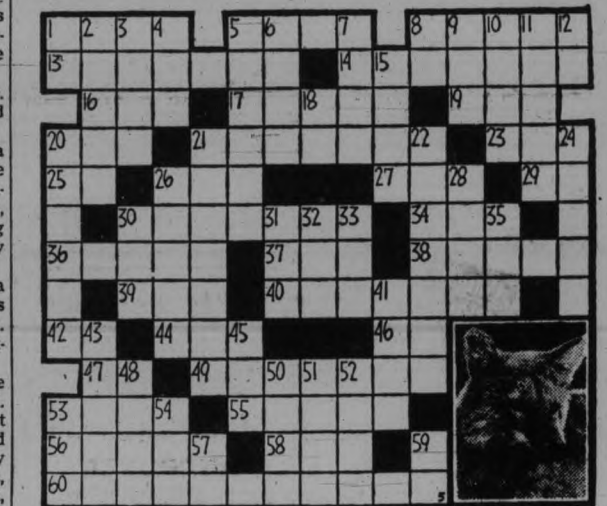

ANSWER: Animal. For many years, ancient scientists disagreed as to whether sponges belonged to the animal or vegetable kingdom. In 1825, the creature was rightly classified as a very low type animal.

# Dorothy Dix's Letter Box

DEAR MISS DIX—Don't you think the reason that girls of 16 make so many mistakes in marriage is because they lack judgment themselves and will not consult their elders in picking out their mates?

Answer: Sure girls of 16 lack enough knowledge of life to pick out their husbands, but I doubt if their elders could help them make wiser selections because Mama's and Papa's taste might not always coincide with the girls'.  
DOROTHY DIX.

# Today's Crossword Puzzle

- HORIZONTAL**
- Wild animal pictured here.
  - It has erect pointed ears.
  - It is a doglike beast of the genus.
  - Narcotics.
  - Scarlet.
  - To finish.
  - Licit.
  - Wing.
  - To weep.
  - Undaunted.
  - Being.
  - Sun god.
  - One plus one.
  - Matching group.
  - Sound of inquiry.
  - To break into splinters.
  - To chatter.
  - Look of mockery.
  - Deity of war.
  - To divert.
  - Branch.
  - Bandages.
  - You.
- VERTICAL**
- Sorrow.
  - Musical tragedy.
  - Like a streak.
  - Came upon.
  - Plural Pronoun.
  - Musical note.
  - Degraded.
  - To dwell.
  - New stars.
  - Maple shrubs.
  - Limb.
  - It is a flesh eating or animal.
  - Silly.
  - Compass point.
  - Exclamation of sorrow.
  - Grain.
  - It is a
  - Fashion.
  - Eel trap.
  - Toward sea.
  - Shower of rain.
  - Credit.
  - Eucharist vessel.
  - Egyptian river.
  - Silky.
  - Compas.
  - Sesame.
  - Silk sac.
  - Tattered attire.
  - Public auto.
  - Inspires reverence.
  - Genus of evergreens.
  - X.
  - Always.
  - Knife.
  - To avouch.
  - Starch.
  - Lacquer ingredient.
  - Bird of prey.
  - Tone B.
  - You and me.

against women and children may be widespread.

International Affairs - Through the activities of a secret agent the British government is to have a new cause for altercation with a foreign power. Jupiter culminating at Moscow is promising for the Soviets. Germany will make headway in assuring better trade relations with a South American country. The Jewish refugees will focus attention and plans for their settlement in hospitable territory will progress.

Persons whose birthdate it is have the forecast of a year of business perplexities which will be overcome. Women should avoid litigation, especially if it leads to the divorce court. Children born on this day will be ambitious and fond of the limelight. Many of these Libra subjects are well fitted for public service and should be carefully guided for they will reach extremes of either good or evil.

## STRAWBERRY VALE

Mr. and Mrs. B. L. Cox, Wilkinson Road, were hosts last Saturday evening at a miscellaneous shower held in honor of Miss Marjory H. Kerslake, whose marriage will take place to Mr. Freeman Nott this week. The bride-to-be was presented by the hostess with a corsage bouquet of pink roses. A program of music, games and dancing was enjoyed.

How insects can distinguish weak, sickly trees—which they attack in preference to healthy ones—is not yet explained by science.

## JAMESON'S DAILY SPECIAL

## 1937 Studebaker

It is a beautiful car... a car that is practically new in appearance and performance. Now on sale at about one-half its original cost.

**\$695**

Everybody is out to make the best deal they can when they trade in their car. So we say come and see this featured special value because it is hundreds of dollars lower in price than what you would expect for a car of such recent model.

**Jameson Motors Ltd.**  
730-BROUGHTON STREET

## WORLD DAY FOR ANIMALS

Celebration of World Day for Animals will take place on Saturday at Sons of England Hall between 3 and 5.30. The chairman, G. B. Kitto, will briefly explain the progress of the organization, more needing help than ever before, and an attractive program

of entertainment will be carried through during the tea hour. Mrs. R. Knight, Mrs. Fred Filers, Miss A. Bonshor and Mrs. Edith Mayell will contribute to a musical program. An attractive number of articles will be offered for sale.

The occasion is dedicated to the memory of St. Francis of Assisi. Lake Superior is 1,000 feet deep.

**EVERYTHING**  
that makes  
radio enjoyable!

Here is all that modern science can give to make radio more enjoyable, built right into these new 1940 G-E Radios. There is new controlled precision—new natural tone—new exclusive features—new cabinet beauty and at new low prices—unbelievably lower than ever before. Ask your G-E dealer to demonstrate any of the 10 new beautiful G-E models. They have everything that makes radio enjoyable. A few dollars will put one in your home today.

## Automobile Club

Because of increasing automobile travel on the island from United States citizens, the Victoria Automobile Club directors have decided that the local group shall carry on its work. There had been some discussion of closing the club with the country at war. At the monthly meeting a resolution was passed appreciating the work of Hon. F. M. MacPherson as Minister of Public Work, and wishing him continued success in his new appointment.

Superb Chrysanthemums—On display, Crystal Garden, Belleville entrance, Saturday, 12 noon, 9 p.m.

AT THE AIR-PORT!  
MILWAUKEE, BILL! THE MAJOR'S COMING RIGHT BACK!

OKEH, FOLKS! HOP IN! SORRY MR. BELL COULDN'T COME ALONG!

A FEW MOMENTS LATER  
ABOVE THE FLYING FIELD!

WHAT'S ALL THIS ABOUT HENRY? I THOUGHT HE WAS...

TOO MUCH DOCTOR, MAJOR! HE'S GOT HENRY SCARED TO DEATH! I DON'T...

HEY, LOOK! WHAT'S THAT BIRD TRYING TO DO?

## Plan Nursing Instructions

Executive officers of the British Columbia branch of the Canadian Red Cross Society and the British Columbia Council of the St. John Ambulance Association have considered how these organizations may best serve in the present emergency in giving training to persons desirous of serving the sick and injured in the home and elsewhere when the need arises. Co-operation is to be the key need of both organizations in this important work.

It is essential that as many citizens as possible should have some knowledge of what to do should qualified nurses not be available when required during the period of the war. Much unnecessary suffering may be saved if members of the family or household are able to attend to the needs of those who, through sickness or injury, may be bedridden or otherwise unable to take care of themselves. To meet this need the Red Cross Society will provide a series of lectures in home nursing for those desiring such a course. Members of Red Cross classes will not be required to take examinations to prove their standing and knowledge of the subject but by attending lectures should acquire a knowledge which will be of value in the home in case of sickness or accident.

St. John Ambulance Association will give more complete courses in home nursing for women and class members will have the privilege of taking examinations to prove their efficiency. Each class member who passes the examination will receive a certificate issued by the association's headquarters at Ottawa which together with the St. John Ambulance Association first aid certificate are necessary qualifications for membership in voluntary aid detachments.

Many people wish to be prepared to give aid in the present national emergency. New home nursing classes are being formed by both the Red Cross Society and the St. John Ambulance Association from time to time and persons desirous of joining are requested to communicate with the secretary of the local branch of the Red Cross Society. Those wishing to take a more complete course and obtain their certificate which will qualify them for community or national service, will communicate with the secretary of St. John Ambulance Association local centre for full information.

## SHOWBOAT PARTY AT LONELY POSTS

After a five-months' tour of lonely British Columbia canneries and fishing villages and a few calls at bigger towns of B.C. and Alaska the party of Victorians who comprise Bert White's showboat concert party have returned to Victoria.

The sturdy little craft got into trouble on one occasion when it sprang a leak but made port with a temporary patch. At Goose Bay it gave assistance to a disabled fishing boat and at Surf Inlet, Skipper White saved a boy who had fallen overboard from a boat near the showboat.

"We met a lot of Victorians who wished to be remembered to friends in Victoria," said Frank Merryfield who doubled on the trip as magician and ventriloquist. "At Hyder, Alaska," he said, "we met 'Scotty' Patterson who was proprietor of the old Gorge Hotel 40 years ago. At Stewart we met Harry Dadds who referred when I fought Kid Brady in Victoria 30 years ago. He is now chief magistrate there."

"At Prince Rupert we met Harold Locke who used to be Saanich fire chief. He is now fire chief at Rupert. 'Dude' Robertson, native son of Victoria, is now in the hotel business there."

"George Tite, who played lacrosse in Victoria 40 years ago, is in the upholstery business in Prince Rupert."

"Frank Bosnell, ex-Victoria, is manager of a cannery at Smith's Inlet. Another Victorian now managing a cannery is Victor Spencer who is at River's Inlet."

**NO DULL, DRAB HAIR**  
after using this amazing  
**4 PURPOSE RINSE**

In one, simple, quick operation, Lovalon the 4 purpose rinse, does all these 4 important things to your hair.  
1. Gives lustrous highlights. 2. Rinses away shampoo film. 3. Tints the hair as it rinses. 4. Helps keep hair neatly in place. Lovalon does not dye or bleach. It is a pure, odorless hair rinse, in 12 different shades. Try it. You will be amazed at the results.

Approved by Good Housekeeping Bureau.

## Beaux-Arts Elect Board of Directors

The Beaux-Arts Society at its meeting held Tuesday night at the home of George Cameron, Moss Street, elected a board of directors which will act as a governing body and take charge of the activities until the end of the year. Brian Burdon-Murphy, retiring president, was in the chair, and elected to the new board were Ed Savannah, Waldo Skillings, Cedric LeFevre, Don Jacobs, George Cameron, Jack Rutland and the Misses Mary Lindgren and Hope Denbigh.

It was decided to co-operate to the fullest with the Red Cross in all the society's dramatic activities. The new board planned a number of activities for the next few months.

The first will be an informal

party at George Cameron's home on October 14, for the introduction of new members; a Halloween party at the clubrooms on Duchesne Street October 31, and a studio party at Ed Savannah's new studio, Fort Street, in November. The annual Snowball will be held at the Empress Hotel on December 26.

A business meeting will be held Friday, October 20. In addition to the foregoing activities, it is intended to stress the social side, with a series of teas for the reception of new members, and the dramatic activities will be carried on.

**Ends Eventful Term**  
MAIDSTONE, England—George Donovan, sentenced to death in 1928, reprieved at the last minute and given a prison term instead, has been released. His sentence was shortened for bravery in rescuing an official during a penitentiary riot.

**"WHEN THEY LAY ME OFF at 65..."**

"YES SIR, when I knock off work for good at age 65 I won't need to worry. I'll get a \$25 cheque every month as long as I live. But that's not all. If anything happens to me before 65, my family will get a cash payment of \$905 and then a regular income of \$25 every month for ten years—and all for \$2 a week." You, too, can profit from this double purpose income policy. Get details from any North American Life man.
